**Times of Cozy Eggleston and His Jazz Band** Connie J. Eggleston MSW CPM,2023-05-13 When jazz evolved in the United States there were many genres such as Bebop and Hard Bop Cozy Eggleston was born in the small town of Cairo Illinois He was a self taught saxophonist who had high aspirations to become a successful jazz musician Cozy came along in the era when saxophonist Lester The Prez Young was Boss on the scene Prez became Cozy s idol the day they met Cozy wrote a song called Big Heavy During that time jazz music was really popping Cozy s song Big Heavy became a giant hit Cozy decided to travel cross country with his wife Marie who played alto sax to promote his trending hit There was a problem however This loving couple had two precocious toddlers and a cuddly infant baby girl with an insatiable appetite Who on earth could care for this precious cargo In those days musicians traveled in caravans across the country to various gigs They faced many challenges along the way However it didn t deter them from giving their audience a phenomenal jazz experience They continued their travels on those dark lonely and what proved to be treacherous roads Many nights they would drive perform and then drive some more in search of a place to rest No matter how strange and uncomfortable their sleeping arrangement Cozy always found a way to cozy up to Marie Cozy and Marie had a life altering event later in their blissful journey that would change their lives forever From its beginning to now jazz continues to flourish through new categories such as modern and smooth jazz Thanks to musicians like Cozy Prez and many others today s jazz musicians are keeping it all the way live
