Be More Productive? Slow Down Bud Roth, 2011-09 The daily pressures of our overcommitted lifestyles can throw us out of control as we deal with the stressful conditions of fear rapid change and home pressures In *Be More Productive Slow Down* author Bud Roth suggests methods of reflection as well as useful models and exercises demonstrating how you can regain control of your life and reduce stress by slowing down *Be More Productive Slow Down* provides a guide to help you focus on what's important and shows you how to be more productive at work and at home It presents a process for making good choices that lead you to living successfully by showing you how to see the dangers of how you currently live and work reflect on who you are and the reality of the environment in which you live and work create a plan for the next cycle of life not the rest of your life understand what you can and can't control ask yourself and others uncomfortable questions that produce desirable actions With powerful yet manageable lessons Roth shows how you can design your life in the ways you choose to command your sailboat to your intended destinations

Enjoy Time: Stop rushing. Get more done. Catherine Blyth, 2018-10-11 We are living longer than ever and thanks to technology we are able to accomplish so much more So why do we feel time poor In 20 eye opening lessons Catherine Blyth combines cutting edge science and psychology to show why time runs away from you then provides the tools to get it back Learn why the clock speeds up just when you wish it would go slow how your tempo can be manipulated and why we all misuse and miscalculate time But you can beat the time thieves Reset your body clock refurbish your routine harness momentum and slow down Not only will time be more enjoyable but you really will get more done

The Unwelcome Perspective Frank Garten, 2025-06-13 Why do we talk about Inclusion and DEI for decades while individual managers still struggle where to start Why do we decorate the canteen with purple flags once a year and set up women networks and ally programs while the perspectives of minorities are not heard in the management layers of organisations Why is it that we await corporate initiatives rather than make our daily conversations more inclusive Partially because our brains are inherently biased and programmed to exclude others An inclusive leader invites unwelcome perspectives while having conversations with all the diverse talent around her She sees the limitations of her own intellect and uses her curiosity to learn She does not back off from discomfort and conflict she enriches her worldview with new perspectives She admits that she is biased just like everybody else And she stays away

from the extremes articulated in polarised debates as she knows we can only learn from nuanced views This practical book helps you to become more like her such that inclusion becomes part of your daily work This book is a practical guide to the inclusion of unwelcome views Such that the presence of rich and diverse perspectives strengthens our businesses

Curious Dave's Behavior Journey Dave Keeler,2012-04 Curious Dave s Behavior Journey reveals the ground level events of the author s life for the past thirty five years Dave uses examples of unhealthy and healthy behavior to support the need for us to improve our character He believes that most of our unhealthy behaviors are only being human and can be improved This book is amazing because it reveals views of organizational and individual behaviors that most of us never see Purely by accident Dave was placed in office locations where it was easy to eavesdrop on management meetings He learned some very disturbing information Many leaders and managers make decisions based on their insecurities and often these decisions cause the demise of the organization Dave has conducted studies in three types of personal behavior These studies like the eavesdropping reveal that we must improve our character The studies were performed over five years The studies were about personal driving habits safety and security habits and sexual arousal His conclusions are fresh and rather alarming in some areas And in some cases the findings are riveting The book represents a great view of what is going on in America and how we can improve and improve our country **Everybody's Magazine** ,1900 **Chambers's Edinburgh journal, conducted by W.
