## **Small Busineb Management:**

**Small Business Management in the 21st Century**, Small Business Management in the 21st Century offers a unique perspective and set of capabilities for instructors. The authors designed this book with a less can be more approach and by treating small business management as a practical human activity rather than as an abstract theoretical concept. The text has a format and structure that will be familiar to you if you use other books on small business management. Yet it brings a fresh perspective by incorporating three distinctive and unique themes and an important new feature Disaster Watch which is embedded throughout the entire text. These themes assure that students see the material in an integrated context rather than a stream of separate and distinct topics. Open Textbook Library [Small Business Management](#) Timothy S. Hatten, 2005-04. Hatten provides a balanced introduction to both entrepreneurship and small business management before turning his focus toward achieving and maintaining a sustainable competitive advantage as a small organization. Current issues including global opportunities, service quality and technology are highlighted throughout the text and the Third Edition features an increased emphasis on small business ownership by women and minority groups. Additional coverage is given to the new Small Business Administration size standards, creating a personalized business plan and e-commerce. A full chapter is devoted to creating a business plan. Two complete plans written by undergraduate students appear in the text, one designed for a service business, the other for a retail establishment. Electronic Business Plan Templates are also available online. New What Would You Do exercises provide realistic opportunities for students to think critically and realistically. New Profile in Entrepreneurship boxes spotlight individuals who have created new products and businesses. New Eduspace course management system. New Coverage of small business ownership by women and minority groups has been increased throughout the text. New End of chapter questions Comprehension Checks have been added to each chapter. Author created supplements including the Instructors Resource Manual, Test Bank and PowerPoint slides ensure seamless integration of the text and teaching resources. A shorter length accommodates one semester courses without sacrificing important topics.
