## **Smithsonian American Treasure:**

The Smithsonian Webster Prentiss True,2014-08-20 Although the Smithsonian Institution has grown to be over a hundred years old no full length account of its various collections and fascinating activities had ever been written before Mr True put them down here in 1950 Founded through a generous bequest by a lonely Englishman who had never visited this country The Smithsonian often identified with its headquarters in the quaint Norman castle on the Mall in Washington D C also includes the United States National Museum now called the National Museum of Natural History with its collection of natural history and American historical treasures the National Gallery of Art with its outstanding collection of paintings prints and sculpture the Freer Gallery of Art the National Air Museum now called the National Air and Space Museum Mr True sets forth a biography that covers the treasures of the Smithsonian in the Fifties while also illuminating the organization of the Smithsonian museums in the Fifties some things have remained remarkably unchanged over the intervening years while others are drastically different Mr True holds up the Smithsonian Institute as the national treasure it is one whose value is incalculable

**American Treasures** Stephen Puleo,2016-08-30 Stephen Puleo s American Treasures is a narrative history of America s secret efforts to hide its founding documents from Axis powers and its national tradition of uniting to defend the definition of democracy A Boston Globe Bestseller On December 26 1941 Secret Service Agent Harry E Neal stood on a platform at Washington s Union Station watching a train chug off into the dark and feeling at once relieved and inexorably anxious These were dire times as Hitler s armies plowed across Europe seizing or destroying the Continent s historic artifacts at will Japan bristled to the East The Axis was rapidly closing in So FDR set about hiding the country s valuables On the train speeding away from Neal sat four plain wrapped cases containing the documentary history of American democracy the Declaration of Independence the Constitution the Gettysburg Address and more guarded by a battery of agents and bound for safekeeping in the nation s most impenetrable hiding place American Treasures charts the little known journeys of these American crown jewels From the risky and audacious adoption of the Declaration of Independence in 1776 to our modern Fourth of July celebrations American Treasures shows how the ideas captured in these documents underscore the nation s strengths and hopes and embody its fundamental values of liberty and equality Stephen Puleo weaves in exciting stories of freedom under fire from the Declaration and Constitution smuggled out of Washington days before the British burned the capital in 1814 to their covert relocation during WWII crafting a sweeping history of a nation united to preserve its definition of democracy
