## **Smug Minority:**

*Pierre Berton* Brian McKillop, 2011-06-22 The first ever biography of one of Canada's best known and most colourful personalities by an award winning author. From his northern childhood on it was clear that Pierre Berton 1920-2004 was different from his peers. Over the course of his eighty four years he would become the most famous Canadian media figure of his time in newspapers magazines radio television and books sometimes all at once. Berton dominated bookstore shelves for almost half a century winning Governor General's Awards for Klondike and The Last Spike among many others along with a dozen honorary degrees. Throughout it all Berton was larger than life full of verve and ideas he approached everything he did with passion humour and an insatiable curiosity. He loved controversy and being the centre of attention and provoked national debate on subjects as wide ranging as religion and marijuana use. A major voice of Canadian nationalism at the dawn of globalization he made Canadians take interest in their own history and become proud of it. But he had his critics too and some considered him egocentric and mean spirited. Now with the same meticulous research and storytelling skill that earned him wide critical acclaim for The Spinster and the Prophet Brian McKillop traces Pierre Berton's remarkable life with special emphasis on his early days and his rise to prominence. The result is a comprehensive vivid portrait of the life and work of one of our most celebrated national figures.

*Canadian Author & Bookman*, 1967     **Jack** James King, 1999 From one of Canada's most esteemed literary biographers the extraordinary story of the gregarious trail blazing man who propelled the country into a cultural coming of age and whose life has been every bit as page turning as many of the books and writers he published. Jack McClelland the man who set out in the fifties to transform McClelland Stewart into the country's most exciting publishing house is renowned as a risk taker and an entrepreneur indefatigable irascible funny and humane who did some things well and some things badly both in extreme measures. He is credited with bringing Margaret Atwood, Mordecai Richler, Irving Layton, Leonard Cohen, Margaret Laurence, Farley Mowat, Pierre Berton, Roloff Beny and many others to centre stage in Canada and around the world. He is famous as the hard drinking chain smoking publicity hound whose flamboyant stunts calculated to bring attention to his books made front page news. But he was also an astute reader who denied his skill as an editor, an inveterate spicy letter writer, an ardent nationalist, loyal friend, devoted family man and a man whose passion for the family business delayed his leave taking until the company's financial difficulties nearly killed him. James King interviewed Jack McClelland himself, his family as well as numerous friends, authors and publishers and was given unprecedented access to Jack McClelland's papers and the archives of McClelland Stewart. This is the candid, captivating biography of a legendary man and a vivid window onto the lives and habits of this country's writers as well as the story behind Canada's rise to prominence as a literary powerhouse. You were the real Prime Minister of Canada. You still are. And even though it's all gone down the tubes the country that you govern will never fall apart. *Marching as to War* Pierre Berton,2001 Canada's twentieth century can be divided roughly into two halves All the wars and all the unnecessary battles in which Canadian youth was squandered belong to the first from the autumn of 1899 to the summer of 1953 From the mid 1950s on Canada has concerned itself not with war but with peace The first war of the century which took Canadian soldiers to South Africa and the last which sent them to Korea bracket the bookends on the shelf of history They have a good deal in common with these two minor conflicts whose chronicles pale when compared to the bloodbaths of the two world wars Canada's wartime days are long past and for many the scars of war have healed Vimy has been manicured clean its pockmarked slopes softened by a green mantle of Canadian pines Dieppe has reverted to a resort town its beaches long since washed free of Canadian blood Nowadays Canadians are proud of their role as Peacekeepers from which they have gained a modicum of international acclaim the nation has always craved with precious little blood wasted in the process In this monumental work Pierre Berton brings Canadian history to life once again relying on a host of sources including newspaper accounts and first hand reports to tell the story of these four wars through the eyes of the privates in the trenches the generals at the front and the politicians and families back home By profiling the interwar years Berton traces how one war led to the next and how the country was changed in the process      **The Writer's Market** Aron M.
