**Fall from Grace** Michael D'Antonio,1990      The Religious Right David Cantor (senior research analyst.),B'nai B'rith. Anti-defamation League,1994 This publication was prepared and written by David Cantor T p verso      **The Religious Right** Glenn H. Utter,John W. Storey,1995-12 Compiles facts statistics and information on resources about the religious right in the US containing a chronology of the movement results of surveys of conservative Christian attitudes quotations from religious right leaders plus directories describing pro and anti religious right organizations Includes an annotated listing of print and nonprint works by and about the religious right and discussion of the influence of religion on society Of interest to students researchers and general readers Annotation copyright by Book News Inc Portland OR      A History of the Charismatic Movement in Britain and the United States of America Stephen Hunt,2009      **Jesus Doesn't Live Here Anymore** Skipp Porteous,1991-09 A nationally prominent first amendment advocate and authority on the religious right tells of his break with fundamentalism and the growth of intellectual and moral freedom Skipp Porteous was saved at the age of eleven by people who thought they were doing him and God a favor Their actions sent him on a long arduous inner journey Porteous embraced fundamentalism because it provides simplistic solutions the Bible purportedly contains answers for everything and like millions of others he needed to believe that he had found the one true religion A leave of absence became his first step in walking away Removed from the extreme fundamentalist viewpoint with its narrow world view his mind cleared Reason and logic emerged and for the first time in his life he was free and happy In *Jesus Doesn't Live Here Anymore* Porteous explains how he was deceived into becoming a born again Christian what he endured for so many years how he got out and finally why he fights so hard against the movement today Using the knowledge he has obtained in monitoring the religious right he also outlines in detail what we can expect from the movement in the next decade      **Contention** ,1995      **Contemporary Authors** Donna Olendorf,1993-08 Your students and users will find biographical information on approximately 300 modern writers in this volume of *Contemporary Authors R*      *Anti-Gay Rights* Stephanie L. Witt,Suzanne McCorkle,1997-08-30 This book explores the implications of making decisions over our most deeply held values through the initiative process

**Sacred Lies and Silences** Vernon Ruland,1994 A Michael Glazier book Includes bibliographical references p 141 148 and index      **The Struggle for the Soul of the SBC** Walter B. Shurden,1993      **The 1980s** Kimberly R. Moffitt,Duncan A. Campbell,2011 As we approach twenty years since the end of the 1980s we have the opportunity to see the decade in perspective and are in a position to question the glib assumption that the 1980s were a mere conservative foil to the 1960s *The 1980s A Critical and Transitional Decade* edited by Kimberly R Moffitt and Duncan A Campbell places its topics within the context of a decade described as both critical and transitional because the 1980s in many respects marked the end of one era and the beginning of another For example the Reagan presidency the end of the Cold War MTV and the appearance of the personal computer all reflect a legacy of political cultural and social transformation of the United States and the world

and took place specifically within the 1980s The function of this interdisciplinary volume is not to simply highlight the significant phenomena of the period but rather demonstrate how so many apparently disparate events were in fact closely inter related and also products of their age The 1980s is a holistic analysis of the decade that focuses on major turning points developments in literature art entertainment politics and social experimentation The 1980s A Critical and Transitional Decade edited by Kimberly R Moffitt and Duncan A Campbell is a groundbreaking and stand alone introductory volume that is unapologetically interdisciplinary in nature and encourages students to explore topics of the decade often overlooked or grouped together with other more memorable decades such as the 1920s or 1960s

**The Right and the Righteous** Duane Murray Oldfield,1992

**On the Road to Armageddon** Timothy P. Weber,2004 Examines dispensationalism the evangelical relationship with Israel and how it affects American politics regarding the Middle East

*The New Crusades, the New Holy Land* David T. Morgan,1996 Examines the conflict between modern day Southern Baptists and liberal Southern Baptists over control of the Southern Baptist Convention David Morgan captures the essence of the conflict between some modern day Southern Baptists who saw themselves as crusaders for truth as they sought to redeem a new holy land the Southern Baptist Convention from the control of other Southern Baptists they viewed as liberals To the so called liberals the crusaders were fundamentalists on a mission not to reclaim the SBC in the name of theological truth but to gain control and redirect its activities according to their narrow political social and theological perspectives The New Crusades provides a comprehensive history of the conflict taking the reader through the bitter and divisive struggles of the late 1980s that culminated in the 1991 emergence of a moderate faction within the SBC The fundamentalists had won
