But as they get closer and begin to touch the beautiful figures, they suddenly begin to shake and rumble until the effigies come to life. Montz,2020-09-03 Adaptation in Young Adult Novels argues that adapting classic and canonical literature and historical places engages young adult readers with their cultural past and encourages them to see how that past can be rewritten The textual afterlives of classic texts raise questions for new readers What can be changed What benefits from change How can you too be agents of change The contributors to this volume draw on a wide range of contemporary novels from Rick Riordan s Percy Jackson series and Megan Shepherd s Madman s Daughter trilogy to Jesmyn Ward s Salvage the Bones adapted from mythology fairy tales historical places and the literary classics of Shakespeare Charles Dickens Jane Austen and F Scott Fitzgerald among others Unpacking the new perspectives and critiques of gender sexuality and the cultural values of adolescents inherent to each adaptation the essays in this volume make the case that literary adaptations are just as valuable as original works and demonstrate how the texts studied empower young readers to become more culturally historically and
