Sorrow In The House Of Colour:

Sorrow in the House of Colour Julius Ijemhen-Ebetaleye,2003 In Sorrow in the House of Colour Julius I Ebetaleye challenges orthodox approaches to racial integration with an honest radical thought provoking story of the attempt to achieve racial harmony in an interracial relationship The perspective from which this book is written is unusual and as such the ideas expressed are particularly important Even those who lay claim to metaphorical colour blindness will find this original work an eye opener This book Sorrow in the House of Colour is based on a true life story stemming from the intimate experience of the principal character The objective again is to amongst other things bring to focus the diversity of humanity especially in regard to the black and white racial divide with a view to sensitizing both races to identify a common basis for mutual co existence in order to make the world a better place to live in This is against the background of an increasing globalisation of the various facets of human endeavours whereby as they say the world is becoming one big village thus making sustainable mutually beneficial inter relationship inevitable Therefore the earlier our our respective prejudices and mind sets are de emphasized for those features typifying the commonality of humans the better for the entire mankind In essence the objective is to sensitize rather than criticise The intent is to foster Harmony rather than brew Acrimony The goal is to achieve a better World rather than build brick Walls It is my hope that the reading public find Sorrow in the House of Colour as stimulating as it is thought provoking and relevant message a richly textured piece of writing that skilfully manages to be at price inclusive thought provoking and highly readable It is a significant by which I mean that it has relevance to the reader on a number of levels which is itself sure testimony to the author s creative versatility It is a book which abounds with a wealth of perceptively observed detail obviously the product of real experience which lends to the book a poignant sometimes quite gritty reality a dramatic immediacy which is one of its key strengths The characters situations and dialogue are relayed in vivid and lively detail which makes each moment seem entirely authentic As a result the reader is effortlessly drawn into the fabric of this story experiencing it as his or her own reality The structure of the book is an accomplished device in itself patiently built and sparingly meted out with an eye on the necessities of tension pace climax and anti climax May I entreat you to avail yourselves of this publication and recommend same to a friend
