Soul Bared:

Soul Bared David L. Oakford,2004 David Oakford s experience on The Other Side of death s curtain is real valid and profound Although drugs were the initial trigger for what he went through and clearly the evidence for drug effects color the first part of his episode and the beginnings of the second part what happened next was a full blown ascended state that had a significant impact on him Near death experiences are not magic nor do they produce saints And we can thank David for revealing this for baring his soul From the struggles and depression that followed there emerged a truly changed man who knew positively knew that there is more to life than we are taught and more to God s Greater Plan for us than we might imagine

Oakford,2018-09-11 Soul Bared is a powerful testimony of a young man who had a very profound near death experience in 1979 This is a story that describes David s travels through the planes of existence and the spiritual realms that surround us This powerful story has a tendency to make folks wonder why we are here This story has a message for all of us

Journey Through the World of Spirit David L. Oakford,2007-07 David Oakford s story is true real and utterly profound Although street drugs were clearly the initial for this NDE what happened next was a full blown ascended state of consciousness that is well documented in the spiritual and scientific literature This book is once again revealing that NDE s are not magic nor do they produce saints And we can think David for baring his soul as to the psychic struggles and the depression that followed his awakening Because ultimately there emerged a transformed man who knew positively knew that there is more to life and death than we are taught in our religious organizations and more to God s greater plan for us than we can imagine today
