Nagioff,2015-06-03 We encounter many soul mates in this life from the time we are born till the day we die mothers fathers sisters brothers cousins uncles and aunts best friends lovers husbands wives Yet arguably the meeting that has the greatest impact on our lives and our psyche is that between twin flames or twin souls Suffice to say it s a very rare connection indeed My first book The Twin Flame and other Soul Mate Connections dealt exclusively with such connections I would say in all honesty that unless you have experienced a twin flame connection then you have no business writing a book about it and pontificating on mere theory If I hadn t experienced such a meeting I doubt I would have had the necessary credentials to write such a book Familiar Strangers is primarily a look at the twin soul and soul mate connections but from the astrological point of view It therefore necessitates covering the very basics of astrology from a light coffee table perspective so that readers can go away and research their own charts and move on to more in depth research into astrology and soul connections At the end of this book I have added some of the articles I wrote in my first book The Twin Flame and other Soul Mate Connections If you have read that first you can choose to re read those articles or ignore them To all those who have suffered the bereavement of soul mate separation and feel they are truly going insane to those involved in a soul connected relationship they haven t the words to describe or are desperate so to do this book is for you Debbie Nagioff DMS Astrol

Deborah Stefaniak, 2017-08-30 Through out the ages time has been considered our instrument of measurement for events that have shaped our world and how we look at our reality When monumental events have taken place on the earth we have tried to define them record them and intercede with the knowledge we have to try and explain them For many centuries the knowledge that has been lingering in our past has stayed hidden Too often we find ourselves wondering about many of life's mysteries only to be awakened to another question about our history our futures and the elements that shape our world Twin Flame Soul Mates The Moment of Our Creation gives us the answers to the questions that have perplexed the human race for eons of time In this book the answers to the when the how and the why are explained in detail Why Adam and Eve were barred from the Tree of Life and why man seeks out companionship with woman and woman with man Each of us were created out of the love that has shaped our universe We each contain part of that universe within ourselves as well as the sacred aspect that is hidden within us connecting us to the other half of our very soul the twin flame soul mate Defined in terms of scientific research we begin to gain clues about how our world has been shaped and who is responsible for defining it Your adventure awaits Embark with us on the journey of a lifetime and begin to discover who we truly are Divine light beings longing for union in the wholeness we were originally created in This is our gift to you
