Soul Of The Sacred Earth:

Sacred Earth Arthur Versluis,1992-06 Placing Native American spirituality in the context of the world s great religions Sacred Earth contrasts contemporary society s arrogant belief in its own power with native traditions of reverence for the earth This eye opening journey through the terrain of Native American spirituality is an urgent call to rediscover and become firmly grounded on the sacred earth again *Sacred Earth, Sacred Soul* John Philip Newell,2021-07-06 A leading spiritual teacher reveals how Celtic spirituality listening to the sacred around us and inside of us can help us heal the earth overcome our conflicts and reconnect with ourselves John Philip Newell shares the long hidden tradition of Celtic Christianity explaining how this earth based spirituality can help us rediscover the natural rhythms of life and deepen our spiritual connection with God with each other and with the earth Newell introduces some of Celtic Christianity s leading practitioners both saints and pioneers of faith whose timeless wisdom is more necessary than ever including Pelagius who shows us how to look beyond sin to affirm our sacredness as part of all God s creation and courageously stand up for our principles in the face of oppression Brigid of Kildare who illuminates the interrelationship of all things and reminds us of the power of the sacred feminine to overcome those seeking to control us John Muir who encourages us to see the holiness and beauty of wilderness and what we must do to protect these gifts Teilhard de Chardin who inspires us to see how science faith and our future tell one universal story that begins with sacredness By embracing the wisdom of Celtic Christianity we can learn how to listen to the sacred and see the divine in all of creation and within each of us Human beings are inherently spiritual creatures who intuitively see the sacred in nature and within one another but our cultures and at times even our faiths have made us forget what each of us already know deep in our souls but have learned to suppress Sacred Earth Sacred Soul offers a new spiritual foundation for our lives once centered on encouragement guidance and hope for creating a better world **This Sacred Earth** Roger S.
