Professors, and the  
State in  
Tsarist Russia**

**Samuel D. Kassow**

# Students Professors And The State In Tsarist Russia

**Martha T. Mooney**

## **Students Professors And The State In Tsarist Russia:**

*Students, Professors, and the State in Tsarist Russia* Samuel D. Kassow, 1989-01-01 The first systematic and exhaustive study of one of the most important social and political developments in pre October Russia It ranks among the best studies in modern Russian history Alexander Vucinich author of Empire of Knowledge and Darwin in Russian Thought

**A History of Education in Modern Russia** Wayne Dowler, 2021-08-12 A History of Education in Modern Russia is the first book to trace the significance of education in Russia from Peter the Great's reign all the way through to Vladimir Putin and the present day Individual chapters open with an overview of the political social diplomatic and cultural environment of the period in order to orient the reader Dowler then goes on to analyse the aims of education initiatives in each era before considering the ways in which Russians experienced education both as students and as teachers Each chapter concludes with an assessment of the outcomes and consequences of education policies in the period both the successes and failures as well as the impact of education on the cultural social economic and ultimately political environments The chronologically arranged book also traces and then summarises underlying key themes like the tension between an open system of education and an estate based system the push and pull between utility and the broader goal of human development and the effects of centralized authoritarian control that for much of the period limited local initiative and starved the regions of adequate resources

**Literary Scholarship in Late Imperial Russia** Andy Byford, 2007 The turn of the 20th century was a decisive moment in the institutionalization of Russia's literary scholarship This is the first book in the English language to provide an in-depth analysis of the emergence of Russia's literary academia in the pre Revolutionary era In particular Byford examines the

rhetoric of self representation of major academic establishments devoted to literary study the canonization of exemplary literary historians and philologists and attempts by Russian literary academics of this era to define their work as a distinct form of scholarship

**Student Revolt, City, and Society in Europe** Pieter Dhondt, Elizabethanne Boran, 2017-07-06 This edited collection studies the role of students as a critical mass within their urban context and society through examples of student revolts from the foundation period of universities in the Middle Ages until today covering the whole European continent A dominant theme is the large degree of continuity visible in student revolts across space and time especially concerning the rebellious attitudes of and criticisms directed towards students

**The American YMCA and Russian Culture** Matthew Lee Miller, 2012-12-14 In The American YMCA and Russian Culture Matthew Lee Miller explores the impact of the philanthropic activities of the Young Men's Christian Association YMCA on Russians during the late imperial and early Soviet periods The YMCA the largest American service organization initiated its intense engagement with Russians in 1900 During the First World War the Association organized assistance for prisoners of war and after the emigration of many Russians to central and western Europe founded the YMCA Press and supported the St Sergius Theological Academy in Paris Miller demonstrates that the YMCA contributed to the preservation expansion and enrichment of Eastern Orthodox

Christianity It therefore played a major role in preserving an important part of pre revolutionary Russian culture in Western Europe during the Soviet period until the repatriation of this culture following the collapse of the USSR The research is based on the YMCA s archival records Moscow and Paris archives and memoirs of both Russian and American participants This is the first comprehensive discussion of an extraordinary period of interaction between American and Russian cultures It also presents a rare example of fruitful interconfessional cooperation by Protestant and Orthodox Christians **Gender, Class, and the Professionalization of Russian City Teachers, 1860-1914** Christine Ruane,1994 Christine Ruane examines the issues of gender and class in the teaching profession of late imperial Russia at a time when the vocation was becoming increasingly feminized in a zealously patriarchal society Teaching was the first profession open to women in the 1870s and by the end of the century almost half of all Russian teachers were female Yet the notion that mothers had a natural affinity for teaching was paradoxically matched by formal and informal bans against married women in the classroom Ruane reveals not only the patriarchal rationale but also how women teachers viewed their public roles and worked to reverse the marriage ban Ruane s research and insightful analysis broadens our knowledge of an emerging professional class especially newly educated and emancipated women during Russia s transition to a more modern society

**Workers and Intelligentsia in Late Imperial Russia** Reginald E. Zelnik,1999 *A History of Russia* Catherine Evtuhov,Richard Stites,2004 A History of Russia Peoples Legends Events Forces is a comprehensive narrative conceived and developed after the collapse of the former Soviet Union Informed by the burgeoning historiography of the 1990s the text balances political and economic explorations of everyday life social roles cultural dynamics and gender issues Many texts on this subject are written from a pre Confederation point of view that may be unsuitable for today s classroom This text provides strong coverage of 20th century Russia and the U S S R without sacrificing its coverage of earlier historical periods *The Official Directory of the World's Columbian Exposition, May 1st to October 30th, 1893* ,1893

**The World of Provincial Bureaucracy in Late 19th and 20th Century Russian Poland** Katya Vladimirov,2004 This book is a case study that investigates the social origins the confessional and ethnic backgrounds and the culture of work and leisure that constituted the lives of the provincial officials of Russian Poland from the 1870s through the 1900s It draws on a number of published and unpublished writings records of proceedings and other archival sources to produce a rich and non stereotypical account of the nature of Russian Polish officialdom The history of the Russian bureaucracy comprises an essential part of the Russian empire This book delineates its relationship to the multi national and multi religious populace and establishes continuities that connect the Russian empire to the Soviet period **Print** Martha T. Mooney,1995 Excerpts from and citations to reviews of more than 8 000 books each year from 109 publications Electronic version with expanded coverage and retrospective version available see p 5 and p 31 Pricing Service Basis Books *The Durham University Journal* University of Durham,1995 *Historical Abstracts* ,1991

Jewish Education and Jewish Culture in the Russian Empire, 1880-1914 Steven G. Rappaport,2000 **Marriage,**

**Property, and Law in Late Imperial Russia** William G. Wagner,1994 This is the first systematic study of civil law in late Imperial Russia It shows that efforts to adjust family property and inheritance law to changing social and economic conditions often became intertwined with attempts to shape society in accordance with competing ideological ideals Through a restructuring of the family s legal basis members of the growing educated and professional strata of society in particular endeavoured to promote conflicting conceptions of authority individuality gender and law Legal reform also served for members of the emerging legal and medical professions as a way to establish their authority often at the expense of the state administration and the Orthodox Church Civil law in late Imperial Russia therefore constituted both an important medium for ideological redefinition and a field of battle for those seeking to reform to overthrow or to defend the ancien regime Because this battle extended into the state bureaucracy legislative change proved extremely difficult Newly empowered by the 1864 judicial reform the judiciary responded to legislative inaction by not merely adapting the law but also by promoting an ideal of the family whose values and principles challenged those underlying the autocracy Professor Wagner s detailed and scholarly analysis of these issues offers many important insights into cultural attitudes political structures and the role of law in late Imperial Russia

**A History of Russia: To 1917** Walter Moss,2002      **A History of Russia: Since 1855** Walter

Moss,2002      **Catalogue of the Russian Section** Russia. Ministerstvo finansov,1893      **Civil Society and the**

**Campaign Against Corporal Punishment in Late Imperial Russia, 1863-1904** James Downey,1993      **A History of Russia** Nicholas Valentine Riasanovsky,Mark D. Steinberg,2011 A History of Russia covers the entire span of the country s history from ancient times to the post communist present Keeping with the hallmark of the text Riasanovsky and Steinberg examine all aspects of Russia s history political international military economic social and cultural with a commitment to objectivity fairness and balance New chapters on politics society and culture since 1991 explore Russia s complex experience after communism and discuss its chances of becoming a more stable and prosperous country in the future Widely acclaimed as the best one volume history available A History of Russia is available in two split volumes the first covers early Russia through the nineteenth century and the second ranges from 1855 to the present Volume II features an additional introductory chapter that links Russia s modern history to the events that preceded it
