**R.J. Glendinning, Haraldur Bessason**

## **Studier Fra Sprogog 339:**

**Studier fra sprog- og oldtids forskning** Filologisk-historiske samfund (Denmark),1924 **Studier fra sprog- og oldtidsforskning** ,1909 **The Year's Work in Modern Language Studies** , **The Edda** R.J. Glendinning,Haraldur Bessason,1983-12-01 Twelve essays are presented by outstanding authorities in Nordic medieval studies These essays range from treatment of broad aspects of the Edda to consideration of single poems to analysis of parts of specific works An attractive and important collection for every scholar of Old Scandinavian **Chrétien de Troyes** Douglas Kelly,2002 The supplement to the 1976 original bibliography reflects the expanding scope of modern Chr tien studies including items from around the world with the assistance of an international team of scholars The Supplement builds on and completes the Chr tien de Troyes Bibliography first published in 1976 Together the two volumes constitute the fullest and most complete bibliographical source now available on this major medieval author Chr tien de Troyes bequeathed a corpus of highly original and widely influential Arthurian romances Indeed his direct or indirect influence continued throughout the middle ages and beyond into modern times The Bibliographypermits students of medieval romance to quickly identify the areas in which Chr tien scholarship has been active Items are listed under twenty two topics with numerous sub sections under each topic and cross references for items that treat more than one of the topics The broad geographic and linguistic scope of modern Chr tien studies is evident in items not only from western Europe and North America but also from the growing body of medieval scholarship in eastern Europe Asia Africa South America and Australasia To ensure accuracy and completeness the editor has been assisted by scholars competent in the many languages in which Chr tien studies are now published most notably in Japanese Welsh Rumanian Hungarian and Polish as well as by other scholars and librarians who generously provided assistance and information in finding items difficult to access **Volume 10, Tome I: Kierkegaard's Influence on Theology** Jon Stewart,2016-12-05 Kierkegaard has always enjoyed a rich reception in the fields of theology and religious studies This reception might seem obvious given that he is one of the most important Christian writers of the nineteenth century but Kierkegaard was by no means a straightforward theologian in any traditional sense He had no enduring interest in some of the main fields of theology such as church history or biblical studies and he was strikingly silent on many key Christian dogmas Moreover he harbored a degree of animosity towards the university theologians and churchmen of his own day Despite this he has been a source of inspiration for numerous religious writers from different denominations and traditions Tome I is dedicated to the reception of Kierkegaard among German Protestant theologians and religious thinkers The writings of some of these figures turned out to be instrumental for Kierkegaard s breakthrough internationally shortly after the turn of the twentieth century Leading figures of the movement of dialectical theology such as Karl Barth Emil Brunner Paul Tillich and Rudolf Bultmann spawned a steadily growing awareness of and interest in Kierkegaard s thought among generations of German theology students Emanuel Hirsch was greatly influenced by Kierkegaard and proved

instrumental in disseminating his thought by producing the first complete German edition of Kierkegaard's published works Both Barth and Hirsch established unique ways of reading and appropriating Kierkegaard which to a certain degree determined the direction and course of Kierkegaard studies right up to our own times **Studier fra sprog- og**

**oldtidsforskning**, 1921 Old Norse-Icelandic Literature Carol J. Clover, John Lindow, 2019-06-30 The current revival of interest in the rich and varied literature of early Scandinavia has prompted a corresponding interest in its background its origins social and historical context and relationship to other medieval literatures Even readers with a knowledge of Old Norse and Icelandic have found these subjects difficult to pursue however for up to date reference works in any language are few and none exist in English To fill the gap six distinguished scholars have contributed ambitious new essays to this volume The contributors summarize and comment on scholarly work in the major branches of the field Eddic and skaldic poetry family and kings sagas courtly writing and mythology Taken together their judicious and attractively written essays each with a full bibliography make up the first book length survey of Old Norse literature in English and a basic reference work that will stimulate research in these areas and help to open up the field to a wider academic readership **Old Norse-Icelandic Literature** Medieval Academy of America, 2005-01-01 In the past few decades interest in the rich and varied literature of early Scandinavia has prompted a corresponding interest in its background its origins social and historical context and relationship to other medieval literatures Until the 1980s however there was a distinct lack of scholarship in English that synthesized the critical trends and thinking in the field so in 1985 Carol J. Clover and John Lindow brought together several of the most distinguished Old Norse scholars to contribute essays for a collection that would finally provide a comprehensive guide to the major genres of Old Norse-Icelandic literature The contributors summarize and comment on scholarly work in the major branches of the field eddic and skaldic poetry family and kings sagas courtly writing and mythology Their essays each with a full bibliography make up this vital survey of Old Norse literature in English a basic reference work that has stimulated much research and helped to open up the field to a wider academic readership This volume has become an essential text for instructors and now twenty years after its first appearance it is being republished as part of the Medieval Academy Reprints for Teaching MART series with a new preface that discusses more recent contributions to the field

**Bibliography** Jacques Waardenburg, 2015-08-31 No detailed description available for Bibliography Monographic Series Library of Congress, 1980 **Jahrbuch des Kaiserlich Deutschen Archäologischen Instituts** Deutsches Archäologisches Institut, 1910 **Archäologischer Anzeiger**, 1909 **Orientalische Bibliographie**, 1898

**Orientalische Bibliographie** August Müller, Ernst Kuhn, Lucian Scherman, 1898 **Bibliography** Jacques Waardenburg, 1973 Since its founding by Jacques Waardenburg in 1971 Religion and Reason has been a leading forum for contributions on theories theoretical issues and agendas related to the phenomenon and the study of religion Topics include among others category formation comparison ethnophilosophy hermeneutics methodology myth phenomenology philosophy

of science scientific atheism structuralism and theories of religion From time to time the series publishes volumes that map the state of the art and the history of the discipline      *Literaturblatt für germanische und romanische Philologie* Otto Behagel, Fritz Neumann, Karl Bartsch, 1911      **Bibliotheca philologica oder vierteljährliche systematisch geordnete Übersicht der auf dem Gebiete der classischen Philologie und Alterthumswissenschaft, sowie der Neuphilologie in Deutschland und dem Auslande neu erschienenen Schriften und Zeitschriften-Aufsätze** ,1891      Bibliotheca philologica oder vierteljährliche systematisch geordnete Übersicht der auf dem Gebiete der classischen Philologie und Alterthumswissenschaft, sowie der Neuphilologie in Deutschland und dem Auslande neu erschienenen Schriften und Zeitschriften-Aufsätze ,1892      **Bibliotheca philologica** ,1892
