Medieval Jewish Philosophy and Its Literary Forms

Aaron W. Hughes, James T. Robinson, 2019-07-11 This well written accessible essay collection demonstrates a maturation in Jewish studies and medieval philosophy Choice Too often the study of philosophical texts is carried out in ways that do not pay significant attention to how the ideas contained within them are presented articulated and developed This was not always the case The contributors to this collected work consider Jewish philosophy in the medieval period when new genres and forms of written expression were flourishing in the wake of renewed interest in ancient philosophy Many medieval Jewish philosophers were highly accomplished poets for example and made conscious efforts to write in a poetic style This volume turns attention to the connections that medieval Jewish thinkers made between the literary the exegetical the philosophical and the mystical to shed light on the creativity and diversity of medieval thought As they broaden the scope of what counts as medieval Jewish philosophy the essays collected here consider questions about how an argument is formed how text is put into the service of philosophy and the social and intellectual environment in which philosophical texts were produced

Medieval Jewish Philosophy Lavinia Cohn-Sherbok, Dan Cohn-Sherbok, 2014-03-05 Beginning with the earliest philosopher of the Middle Ages Saadia ben Joseph al Fayyumi this work surveys the writings of such figures as Solomon ben Joseph ibn Gabirol Bahya ben Joseph ibn Pakuda Abraham ben David Halevi ibn Daud Judah Halevi Moses Maimonides Gersonides Hasdai Crescas Simon ben Zemah Duran Joseph Albo Isaac Arama and Isaac Abrabanel Throughout an attempt is made to place these thinkers in an historical context and describe their contributions to the history of Jewish medieval thought in simple and lucid terms The book is directed to students enrolled in Jewish studies courses as well as to those who seek an awareness and appreciation of the riches of medieval Jewish philosophical tradition *The Book of Job in Medieval Jewish Philosophy* Robert Eisen, 2004-09-16 Analyzes the history of the interpretation of the Book of Job by medieval Jewish exegetes The author offers an examination of commentaries on Job written by six major thinkers He looks at the relationship between the commentaries and their antecedent sources as well as their relationship to the broader context of medieval Jewish thought Studies in Medieval Jewish History and Literature Isadore Twersky, 1979 critical edition and annotated

translation of one of the classics of Jewish biblical interpretation The collection will be indispensable to all students of Jewish history and culture **Studies in Medieval Jewish Intellectual and Social History** David Engel, Lawrence H.

Schiffman, Elliot R. Wolfson, 2012-01-20 Thirteen leading scholars offer a fresh look at four key topics in medieval Jewish studies the history of Jewish communities in Western Christendom Jewish Christian interactions in medieval Europe medieval Jewish Biblical exegesis and religious literature and historical representations of medieval Jewry *The Cambridge Companion to Medieval Jewish Philosophy* Daniel H. Frank, Oliver Leaman, 2003-09-11 From the ninth to the fifteenth centuries Jewish thinkers living in Islamic and Christian lands philosophized about Judaism Influenced first by Islamic

theological speculation and the great philosophers of classical antiquity and then in the late medieval period by Christian Scholasticism Jewish philosophers and scientists reflected on the nature of language about God the scope and limits of human understanding the eternity or createdness of the world prophecy and divine providence the possibility of human freedom and the relationship between divine and human law Though many viewed philosophy as a dangerous threat others incorporated it into their understanding of what it is to be a Jew This Companion presents all the major Jewish thinkers of the period the philosophical and non philosophical contexts of their thought and the interactions between Jewish and non Jewish philosophers It is a comprehensive introduction to a vital period of Jewish intellectual history *An Introduction to Medieval Jewish Philosophy* Daniel Rynhold,2009-04-15 Focusing on the central philosophical questions of the Middle Ages Daniel Rynhold offers a concise introduction to topics such as God and creation human freewill biblical prophecy the Commandments the divine attributes and immortality Prophecy Howard Kreisel,2003-02-28 More than any other topic prophecy represents the point at which the Divine meets the human the Absolute meets the relative How can a human being attain the Word of God In what manner does God when conceived as eternal and transcendent address corporeal transitory creatures What happens to God s divine Truth when it is beheld by minds limited in their power to apprehend and influenced by the intellectual currents of their time and place How were these issues viewed by the great Jewish philosophers of the past who took the divine communication and all it entails seriously while at the same time desired to understand it as much as humanly possible in the course of dealing with a myriad of other issues that occupied their attention This book offers an in depth study of prophecy in the thought of seven of the leading medieval Jewish philosophers R Saadiah Gaon R Judah Halevi Maimonides Gersonides R Hasdai Crescas R Joseph Albo and Baruch Spinoza It attempts to capture the original voice of these thinkers by looking at the intellectual milieus in which they developed their philosophies and by carefully analyzing their views in their textual contexts It also deals with the relation between the earlier approaches and the later ones Overall this book presents a significant model for narrating the history of an idea *An Introduction to Medieval Jewish Philosophy* Daniel Rynhold,2009-04-15 Focusing on the central philosophical questions of the Middle Ages Daniel Rynhold offers a concise introduction to topics such as God and creation human freewill biblical prophecy the Commandments the divine attributes and immortality *A History of Jewish Philosophy in the Middle Ages* Colette Sirat,1990-11-30 Jewish medieval philosophy has formed the subject of much research over the past thirty years since the appearance of Gutmann s *Philosophies of Judaism* resulting in greater understanding and a new need for summation This important work now available in paperback aims to supply that need and devotes ample discussion to the major figures of the period like Saadiah Gaon Maimonides Abraham Ibn Ezra and Judah Halevi It also gives much attention to the discussion and presentation of texts by lesser known authors clustering around the greater men and movements *Central Problems of Medieval Jewish Philosophy* Dov Shyarts,2005 This book deals with central issues of medieval Jewish philosophy Among the subjects treated are divine

immanence the intellect miracles and esoteric writing and its limits The work provides a new perspective on the history of Jewish philosophy in the Middle Ages Relying on many as yet unpublished manuscripts which enable it to offer new insights relating to such thinkers as Judah Halevi Maimonides and Gersonides it also presents a new and original perception of the dynamics of Jewish thought in general **Essays in Medieval Jewish and Islamic Philosophy** Arthur Hyman, 1977

Judaism as Philosophy Howard Theodore Kreisel, 2015 The studies comprising this volume most of them appearing for the first time in English deal with some of the main topics in Maimonides philosophy and that of his followers in Provence At the heart of these topics lies the issue of whether they adopted a completely naturalistic picture of the workings of the world order or left room for the volitional activity of God in history These topics include divine law creation the Account of the Chariot prophet and sage Mosaic prophecy reasons for the commandments and prayer Special attention is paid to three lesser known but highly significant Provençal Jewish thinkers Moses Ibn Tibbon Levi ben Avraham and Nissim ben Moses of Marseille **Jewish Philosophy in the Middle Ages** T. M. Rudavsky, 2018-07-11 T M Rudavsky presents a new account of the development of Jewish philosophy from the tenth century to Spinoza in the seventeenth viewed as part of an ongoing dialogue with medieval Christian and Islamic thought Her aim is to provide a broad historical survey of major figures and schools within the medieval Jewish tradition focusing on the tensions between Judaism and rational thought This is reflected in particular philosophical controversies across a wide range of issues in metaphysics language cosmology and philosophical theology The book illuminates our understanding of medieval thought by offering a much richer view of the Jewish philosophical tradition informed by the considerable recent research that has been done in this area *The Medieval Hebrew Encyclopedias of Science and Philosophy* S. Harvey, 2013-06-29 In January 1998 leading scholars from Europe the United States and Israel in the fields of medieval encyclopedias Arabic Latin and Hebrew and medieval Jewish philosophy and science gathered together at Bar Ilan University in Ramat Gan Israel for an international conference on medieval Hebrew encyclopedias of science and philosophy The primary purpose of the conference was to explore and define the structure sources nature and characteristics of the medieval Hebrew encyclopedias of science and philosophy This book the first to devote itself to the medieval Hebrew encyclopedias of science and philosophy contains revised versions of the papers that were prepared for this conference This volume also includes an annotated translation of Moritz Steinschneider's groundbreaking discussion of this subject in his *Die hebraeischen bersetzungen* The Medieval Hebrew Encyclopedias of Science and Philosophy will be of particular interest to students of medieval philosophy and science Jewish intellectual history the history of ideas and pre modern Western encyclopedias Studies in the Formation of Medieval Hebrew Philosophical Terminology Reimund Leicht, Giuseppe Veltri, 2020-02-20 This volume contains studies based on papers delivered at the international conference of the PESHAT in Context project entitled Themes Terminology and Translation Procedures in Twelfth Century Jewish Philosophy The central figure in this book is Judah Ibn Tibbon He sired the Ibn Tibbon

family of translators which influenced philosophical and scientific Hebrew writing for centuries More broadly the study of this early phase of the Hebrew translation movement also reveals that the formation of a standardized Hebrew terminology was a long process that was never fully completed Terminological shifts are frequent even within the Tibbonide family to say nothing of the fascinating terminological diversity displayed by other authors and translators discussed in this book

□□ □□□□ Baruch A. Levine, Robert Chazan, William W. Hallo, Lawrence H. Schiffman, 1999-01-01 A huge festschrift comprising 41 essays exploring mainly textual perspectives on Ancient Near Eastern and Jewish history and religious practice

Scepticism and Anti-Scepticism in Medieval Jewish Philosophy and Thought Racheli Haliva, 2018-09-24 The series Studies and Texts in Scepticism contains monographs translations and collected essays exploring scepticism in its dual manifestation as a purely philosophical tradition and as a set of sceptical strategies concepts and attitudes in the cultural field especially in religions perhaps most notably in Judaism In such cultural contexts scepticism manifests as a critical attitude towards different dimensions and systems of secular or revealed knowledge and towards religious and political authorities It is not merely an intellectual or theoretical worldview but a critical form of life that expresses itself in such diverse phenomena as religion literature and society Further book series of the Maimonides Centre for Advanced Studies are Jewish Thought Philosophy and Religion and the Yearbook of the Maimonides Centre for Advances Studies

Studies on Astral Magic in Medieval Jewish Thought Dov Schwartz, 2021-11-29 The book describes a fascinating encounter between astrology and magic exposing how Hermetic magic seeped into Jewish literature and Jewish philosophy Following astral magic in its convoluted course this original work sheds new light on rationalist Jewish thought in the Middle Ages Having attained its authority mostly from its use in medical practice astral magic also developed a theology and provided a key to biblical interpretation Judah Halevi Nahmanides and others explained the meaning and influence of the commandments according to magic astral models and techniques generating a new perspective within medieval Jewish philosophy The book is intended for scholars of philosophy Jewish thought astrology and magic as well as for the general public with an interest in these areas
