Studies Of The Spanish Mystics Volume 1:

Studies of the Spanish Mystics Edgar Allison Peers, 1951 **Hispanic Mysticism: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Renaissance and Reformation a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of European history and culture between the 14th and 17th centuries Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com *Spinoza*, 2000 Biografie van de Nederlandse filosoof 1632 1677 **The Scholarship on Spanish Mystical Literature** Gloria Maité Hernández, 2021-12-06 Gloria Mait Hernández offers an engaging critical review of scholarly works on Spanish mystical literature during the twentieth and early twenty first century in Europe and the Americas Bringing together for the first time an ample variety of sources and letting the scholars own voices be heard this study asks how their writings were influenced by their particular notions about mysticism and Spain s relationship with the Orient A thematic survey like this one illustrates how ideas are created and re created throughout time resulting in the production of a more diverse scholarship Readers will be enriched with a renewed sense of disciplinary awareness [Spain and Its Literature](#) Ann L. Mackenzie, 1997-01-01 Besides an Introduction Bibliography and Centenary Reappraisal eighteen original articles by respected Hispanists from Britain Spain and the United States have been collected in this homage volume A high proportion of articles reflect Peers major interests in mysticism and the Romantic Movement Part I From the Middle Ages to the Siglo de Oro includes essays that deal with Francisco de Osuna s higher memory the Dark Night of San Juan de la Cruz Judaeo Islamic traditions in Luis de Le n and Miguel de Molinos Spiritual Guide Part II From the Dawn of Romanticism to the Twentieth Century contains articles concerned with writers works or themes as S nchez s Colecci n and Percy s Reliques Rivas and tragedy *El moro exp sito* Gustavo Adolfo B cquer Victor Hugo and *La Nonne sanglante* An article dealing comparatively with Goytisol and Zorrilla which provides A Missing Link in the Dis affiliation of a Post Romantic Expatriate in Revolt aptly concludes the volume *A New Companion to Hispanic Mysticism*, 2010-06-15 Winner of the 2011 SCSC Bainton Prize for Reference Works The canon of Hispanic mysticism is expanding No longer is our picture of this special brand of early modern devotional practice limited to a handful of venerable saints Instead we recognize a wide range of marginal figures as practitioners of mysticism broadly defined Neither do we limit the study of mysticism necessarily to the

Christian religion nor even to the realm of literature Representations of mysticism are also found in the visual plastic and musical arts The terminology and theoretical framework of mysticism permeate early modern Hispanic cultures Paradoxically by taking a more inclusive approach to studying mysticism in its marginal manifestations we draw mysticism in all its complex iterations back toward its rightful place at the center of early modern spiritual experience Contributors Colin Thompson Alastair Hamilton Christina Lee Clara E Herrera Darcy Donahue Elena del R o Parra Evelyn Toft Fernando Dur n L pez Francisco Morales Freddy Dom nguez Glyn Redworth Jane Ackerman Jessica Boon Jos Adriano de Freitas Carvalho Luce L pez Baralt Mar a Carri n Maryrica Lottman and Tess Knighton

A Treasury of Mystic Terms, Part 1 John Davidson,2003

The Treasury is a collection of the spiritual terms found in the literature of the world s religious and mystical traditions Its primary objective is to elucidate the meaning of the essential terms used by the various spiritual and religious traditions of the world throughout history It is not primarily intended as a dictionary or as an encyclopedia nor is it a definitive treatise on any particular subject or religion It is meant to help the ordinary person understand some of the basic principles of his or her religious background within the framework of a universal understanding of spirituality All terms are explained in a simple manner with each term presented as a separate entry With the explanations grouped according to subject and placed alongside one another many similarities between the various religions immediately become apparent Among these many pages the reader will find a mixture of interesting concepts quotations thoughts perceptions and ideas There should be something for everyone whoever they are and whatever their bent of mind The Treasury is prepared and edited by an international team of researchers contributors editors and readers with a wide variety of religious and cultural backgrounds All those involved gave their time and expertise freely to the project Since the Society does not seek any profit and the cost of printing in India is low the Treasury can be sold at a very low price This helps the Society stay true to its premise that spirituality is the birthright of all that no profit should be extracted from its dissemination and most important that knowledge of these truths should not be withheld from anyone for economic reasons Provided by publisher
