Studies In Keats:

Studies in Keats, New and Old John Middleton Murry,1930 Studies in Keats, New and Old John Middleton Murry,1939 **Studies in Keats** Richard Cowper,1930 Keats the Poet Stuart M. Sperry,1994-01-02 Keats the Poet was first published in 1973 just as the crest of all the New Critical exegeses had passed leaving the critical literature with a wealth of fine readings but without a real organizing program within which to view them Stuart Sperry established such a frame of reference Further he did so with such prescience that even the most radical deconstructive or new historical approaches to Keats today must bear witness to their inception in Sperry's emphasis on and subtle demonstration of the centrality of indeterminacy in the poet Now available in paperback for the first time this work will enlighten a new generation of readers *Keats and Shelley* Kelvin Everest,2021-12-16 Keats and Shelley Winds of Light combines unrivalled textual knowledge biographical and contextual expertise and profoundly insightful close readings of the poetry in a selection of outstanding essays from a leading critic of English Romantic Poetry Some of the essays have been previously published and are established as classic studies which have strongly influenced scholarly interpretation of the poems they discuss including landmark readings of Shelley's Prometheus Unbound Julian and Maddalo and Ozymandias and Keats's Isabella or the Pot of Basil and his sonnet On First Looking into Chapman's Homer These are brought into relationship with new work on the two poets in a wide ranging set of meditations which centre on Shelley's great elegy for Keats Adonais An introductory chapter considers the strongly contrasting poetic styles and achievement of the two iconic young Romantics a contrast which has been obscured by their conventional close pairing in popular culture Five studies of Keats are followed by a pivotal account of Shelley's elaborately wrought poetic tribute to Keats's destined greatness which leads in to a balancing six studies of Shelley Both poets are situated illuminatingly in their literary personal and social historical milieu through a series of perspectives which combine lucid particularity with powerful generalization The essays move from detailed analysis of textual minutiae to deep reflection on fundamental themes in the work of Keats and Shelley including the ultimate themes of transience and permanence and of life death and immortality **Robin Hood and the Outlaw/ed Literary Canon** Lesley Coote,Alexander L. Kaufman,2018-08-06 This cutting edge volume demonstrates both the literary quality and the socio economic importance of works on the matter of the greenwood over a long chronological period These include drama texts prose literature and novels among them children's literature and poetry Whilst some of these are anonymous others are by acknowledged canonical writers such as William Shakespeare Ben Jonson and John Keats The editors and the contributors argue that it is vitally important to include Robin Hood texts in the canon of English literary works because of the high quality of many of these texts and because of their significance in the development of English literature Human Abilities in Cultural Context S. H. Irvine,John W. Berry,1988-09-30 Originally published in 1988 Human Abilities in Cultural Context constituted a major development in conceptualising and studying human abilities It formed a unique reference frame This

study offers a re evaluation of ability theory by the editors S H Irvine and J W Berry and strong individual statements by H J Eysenck Arthur R Jensen Joseph R Royce and Robert J Sternberg who represent markedly different approaches to the measurement of intelligence It also focuses on contexts in which the limits of assessment by psychological tests are defined in minority native groups in North America in migrants to Britain in lower caste enclaves in India among African minorities and among Australian Aborigines Written by long term residents of the regions in question these chapters presented a wealth of fresh data in relation to Western formulations of theory and practice The Myth of the Poet Maneck Homio Daruwala,1981

Genetic Studies of Genius: The promise of youth; follow-up studies of a thousand gifted children ,1930

Look Round for Poetry Brian McGrath,2022-05-17 Poetry is dead Poetry is all around us Both are trite truisms that this book exploits and challenges In his 1798 Advertisement to Lyrical Ballads William Wordsworth anticipates that readers accustomed to the poetic norms of the day might not recognize his experiments as poems and might signal their awkward confusion upon opening the book by looking round for poetry as if seeking it elsewhere Look Round for Poetry transforms Wordsworth's idiomatic expression into a methodological charge By placing tropes and figures common to Romantic and Post Romantic poems in conjunction with contemporary economic technological and political discourse Look Round for Poetry identifies poetry's untimely echoes in discourses not always read as poetry or not always read poetically Once one begins looking round for poetry McGrath insists one might discover it in some surprising contexts In chapters that spring from poems by Wordsworth Lucille Clifton John Keats and Percy Bysshe Shelley McGrath reads poetic examples of understatement alongside market demands for more the downturned brow as a figure for economic catastrophe Romantic cloud metaphors alongside the rhetoric of cloud computing the election of the dead as a poetical and not just a political act and poetic investigations into the power of prepositions as theories of political assembly For poetry to retain a vital power McGrath argues we need to become ignorant of what we think we mean by it In the process we may discover critical vocabularies that engage the complexity of social life all around us Genetic Studies of Genius: The promise of youth; follow-up studies of a thousand gifted children, by B. S. Burks and others ,1930

Princeton University Bulletin ,1898 The Collegian and Progress of India ,1913 Encyclopedia of the Romantic Era 1760-1850 Christopher John Murray,2013-05-13

In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism **English Romantic Writers** Henry Martin Battenhouse,1958

Wordsworth Coleridge Byron Shelley Keats and minor Romantic writers Syllabi of the American Society for the Extension of University Teaching American Society for the Extension of University Teaching,1897 Genetic Studies of Genius: The

promise of youth; follow-up studies of a thousand gifted children, by B. S. Burks, D. W. Jensen, L. M. Terman, assisted by A. M. Leahy, Helen Marshall, M. H. Oden ,1930 *The Dublin University Magazine ,1874* **Studies in Interpretation**

William Henry Hudson,2023-07-18 This book is a collection of essays that examine the works of three major English poets John Keats Arthur Hugh Clough and Matthew Arnold Hudson offers nuanced readings of their poetry focusing on themes such as nature love and religion Literature students and scholars will appreciate this insightful analysis of these poets works This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Books for College Libraries: Language and literature ,1975**
