Studies in Indian Public Finance M. Govinda Rao,2022-03-02 Studies in Indian Public Finance is a comprehensive analytical study of Indian public finance evaluated in the background of theories and best practice approaches It is a comprehensive analysis of the nature and composition of public spending and its financing Beginning with normative questions on the role of the State the book argues that public expenditure policies in India are dominated by political economy considerations Low revenue productivity of the tax system has constrained the ability of the government to adequately finance physical and social infrastructure at required levels causing elevated levels of large deficits and debt threatening stability and sustainability The book also analyses the trends and issues in Indian fiscal federalism and evaluates the effectiveness of intergovernmental transfers in a country marked with wide inter regional disparities The analysis also extends to the devastating effects of the COVID 19 pandemic on Indian public finances The book will be useful to students of economics scholars working on the subject and policy makers Higher Education, Public Good and Markets Jandhyala B. G. Tilak,2017-10-16 This book critically examines some of the major trends in the development of higher education It demonstrates how in the context of liberalisation globalisation and marketisation the crisis in higher education has assumed different dimensions in all advanced and emerging societies The author shows how the state tends to slowly withdraw from the responsibility of higher education including in the arena of policy making or simply adopts a policy of laissez faire of non involvement which helps in the rapid unbridled growth of private sector in higher education The notion of higher education as a public good is under serious contestation in current times The book argues for the need to resurrect the compelling nature of higher education along with its several implications for public policy and planning while providing a broad portrayal of global developments comparative perspectives and key lessons The volume will be of interest to scholars and researchers of education political science public policy and administration governance development studies economics and those working in the higher education sectors think tanks policymakers as well as NGOs **Social Justice and Public Policy** Anthony Barnes Atkinson,1983 This volume collects the core of A B Atkinson s contributions to the study of inequality and mobility wealth and redistribution taxation and public policy issues Journal of Economic Studies ,1976 **A Bibliography of Social and Political Economy, Law and Education** William Swan Sonnenschein,1897 Studies in Optimization ,1970 **Keio Economic Studies** ,1983 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1886 The Journal of Education ,1932 **Economic Computation and Economic Cybernetics Studies and Research** ,1973 National Union Catalog ,1978 Includes entries for maps and atlases **School Finance and Business Management Problems** Nickolaus Louis Engelhardt,Carter Alexander,1928 **Library of Congress Catalogs**
