**Comparative Perspective** Frederick Mathewson Denny,Rodney Leon Taylor,1985 Ten noted religious studies scholars examine the sacred scriptures of Hinduism Buddhism Confucianism Taoism Islam Zoroastrianism Christianity and Mormonism to produce an authoritative comprehensive survey of the words that shape the world s major religions The book concentrates on the origins forms and functions of scriptures in religious life This volume also includes a thought provoking chapter on the transmission of sacred traditions among nonliterate populations and rebuttal of the widespread elevation of literate traditions over primitive traditions

**BACK COVER**     *Mormonism and the Emotions* Mauro Properzi,2015-05-21  
Mormonism and the Emotions An Analysis of LDS Scriptural Texts is an introductory Latterday Saint LDS theology of emotion that is both canonically based and scientifically informed It highlights three widely accepted characteristics of emotion that emerge from scientific perspectives namely the necessity of cognition for its emergence the personal responsibility attached to its manifestations and its instrumentality in facilitating various processes of human development and experience In analyzing the basic theological structure of Mormonism and its unique canonical texts the objective is to determine the extent to which LDS theology is compatible with this three fold definition of emotion At this basic level of explanation the conclusion is that science and Mormon theology undoubtedly share a common perspective The textual investigation focuses on unique Mormon scriptures and on their descriptions of six common emotions hope fear joy sorrow love and hate For each of these emotional phenomena the extensive report of textual references consistently confirms an implied presence of the outlined three fold model of emotion Thus the evidence points to the presence of an underlying folk model of emotion in the text that broadly matches scientific definitions Additionally the theological examination is enlarged with a particular focus on the Mormon theology of atonement which is shown to play a significant role in LDS understandings of emotions A broad exploration of such areas as epistemology cosmology soteriology and the theological anthropology of Mormonism further contextualizes the analysis and roots it in the LDS theological worldview

***The Joseph Smith Revelations*** H. Michael Marquardt,1999 Revelation is so central to Mormonism that one might presume that the study of

original texts is an exhausted field The remarkable truth is that little has yet been done in this area An analysis of the earliest manuscripts and first printed versions often in newspapers helps establish the original setting and often the intention of the revelations many of which have been greatly changed by later textual modifications By knowing more of the history of the early church Marquardt hopes to reveal new and important vistas concerning both early Mormonism and the concept of revelation itself    **The Three Nephites** Julie Swallow,Christopher James Blythe,Eric A. Eliason,Jill Terry Rudy,2025-10-07  
Stories of encounters with the Three Nephites immortal saint like figures dominate the folklore of the Latter day Saint tradition The authors of this volume use hundreds of legends collected by the renowned folklorist William A Wilson from across a lifetime of research study and interviews to focus on the different themes exhibited by the Three Nephites and show that LDS culture beliefs and values are embodied by and through the Three Nephites Each chapter focuses on a different theme from Three Nephites lore Vanishing Hitchhiker Nephites addresses stories of the Nephites travels The Worldwide End of the World considers the Nephites as harbingers of the Second Coming Proclaiming the Gospel Stories examines the interactions of the Three Nephites with missionaries Mix ups High Jinks and Jokes explores Nephite stories aimed at getting laughs That Your Joy Might Be Full analyzes the types of service the Three Nephites render and reflects on the connection to the Church s injunction to serve others A one of a kind collection The Three Nephites allows readers to see the extent that this supernatural legend has played in Latter day Saint lore    **Proceedings of the Sunday School Convention** Deseret Sunday School Union,1899    *Annual Report of the Commissioner of Education* United States. Office of Education,1898
