how recent profound structural and attitudinal changes affect family forms interpersonal relationships and raising children It reaches beyond the traditional discussions to explore racial ethnic families single parent families and gay families as well as the recent scholarship by and about men fathers and grandfathers Contemporary American marriages and families vary greatly in structure dynamics and cultural heritage Thus discussions of gender roles social class race ethnicity age and sexual orientation are integrated throughout this book To further strengthen students understanding of the growing diversity among todays families the author included a series of boxes that focus on families from many cultures ChoicesOn the individual level family members have many more choices today than ever before People feel freer to postpone marriage to cohabit or to raise children as single parents As a result household forms vary greatly ranging from commuter marriages to those in which several generations live together under the same roof ConstraintsAlthough family members choices are more varied today we also face greater macro level constraints Our options are increasingly limited for example by government policies Economic changes often shape family life and not vice versa Political and legal institutions also have a major impact on most families in tax laws welfare reform and even in defining what a family is Because laws public policies and religious groups affect our everyday lives the author has framed many discussions of individual choices within the larger picture of the institutional constraints that limit our choices
