Studying The Sikhs

Pashaura Singh

Studying The Sikhs:

Studying the Sikhs John Stratton Hawley, Gurinder Singh Mann, 1993-07-01 This basic guide and resource book targets four fields religious studies history world literature and ethnic or migration studies in which Sikhism is now receiving greater attention. The authors explain the problems of studying and interpreting Sikhism and opportunities for integrating Sikh studies into a broader curriculum in each field. They also provide a sense of the Sikh community's own approach to education and evaluate materials and approaches at the North American university level. Included are a sample syllabus with an explanatory essay, a bibliographical guide, a glossary and a general bibliography. Gurinder Singh Mann's review of his course on Sikhism is an effective mini guide to the field as a whole. The Oxford Handbook of Sikh Studies Pashaura Singh, Louis E. Fenech, 2014-03 This handbook innovatively combines the ways in which scholars from diverse fields including philosophy, psychology, literary studies, history, sociology, anthropology, political science and economics have integrated the study of Sikhism within critical and postcolonial perspectives on the nature of religion.

The Sikhs John James Hood Gordon, 2022-07-20 In The Sikhs John James Hood Gordon offers a comprehensive exploration of Sikh history, culture and religion from its inception to contemporary times. With an engaging narrative style that combines rigorous historical analysis with vivid anecdotes, Gordon illuminates the key figures and events that have shaped Sikh identity. This work is situated within a broader literary context that seeks to bridge Eastern and Western perspectives, reflecting a growing interest in the region's socio-political dynamics, especially during the colonial period. Gordon's meticulous research and access to primary sources lend credibility and depth to this essential account. John James Hood Gordon, a noted scholar of South Asian studies, was deeply influenced by both his travels in India and his encounters with Sikh communities in the diaspora. His background in history and anthropology allows him to weave together rich cultural insights with scholarly precision, making his work both academic and accessible. Gordon's passion for intercultural understanding is evident throughout the text as he aims to demystify Sikh beliefs while highlighting their relevance in today's global context. I highly recommend The Sikhs for readers seeking a profound understanding of one of the world's most dynamic religious communities. Whether you are a scholar, student, or general reader, Gordon's blend of historical depth and narrative flair promises to enrich your perspective on Sikh heritage and its ongoing influence.

Studies in Sikhism and Comparative Religion, 2004 **A Dictionary of Sikh Studies** Pashaura Singh, 2019 With over 350 entries, this dictionary provides accessible definitions of the terms that the growing number of students of Sikhism will encounter. It covers beliefs, practices, festivals, sacred sites, and principal languages, as well as the social and religious processes through which Sikhism has evolved. A major focus is the teachings of the founder of Sikhism, Guru Nanak, and doctrinal developments under subsequent Gurus. Incorporating the 500 year history of Sikhism from its birth in northern India to its more recent spread around the world, it covers the interplay between the Sikh tradition and other religious traditions, including Hindu and Sufi. **Sikhism: A Guide for the Perplexed** Arvind-Pal Singh

Mandair,2013-06-06 Sikhism's short but relatively eventful history provides a fascinating insight into the working of misunderstood and seemingly contradictory themes such as politics and religion violence and mysticism culture and spirituality orality and textuality public sphere versus private sphere tradition and modernity This book presents students with a careful analysis of these complex themes as they have manifested themselves in the historical evolution of the Sikh traditions and the encounter of Sikhs with modernity and the West in the philosophical teachings of its founders and their interpretation by Sikh exegetes and in Sikh ethical and intellectual responses to contemporary issues in an increasingly secular and pluralistic world Sikhism A Guide for the Perplexed serves as an ideal guide to Sikhism and also for students of Asian studies Sociology of Religion and World Religions **Scholarly Study of Sikhism** Harnam Singh Shan,1974

International Bibliography of Sikh Studies Rajwant Singh Chilana,2005-08-26 The International Bibliography of Sikh Studies brings together all books composite works journal articles conference proceedings theses dissertations project reports and electronic resources produced in the field of Sikh Studies until June 2004 making it the most complete and up to date reference work in the field today This monumental work lists over 10 000 English language publications under almost 30 subheadings each representing a subfield in Sikh Studies The Bibliography contains sections on a wide variety of subjects such as Sikh gurus Sikh philosophy Sikh politics and Sikh religion Furthermore the encyclopedia presents an annotated survey of all major scholarly work on Sikhism and a selective listing of electronic and web based resources in the field Author and subject indices are appended for the reader's convenience The online version of the International Bibliography of Sikh Studies includes hyperlinks and offers the possibility to search on author title key word or subject making this huge reference work easily accessible and user friendly

The Penguin Handbook of the World's Living Religions John R. Hinnells,2010-03-25 Comprehensive informative and authoritative The Penguin Handbook of the World's Living Religions is compiled by a team of leading international scholars and is the definitive guide to the religious belief systems and practices of the world today This in depth survey of active religions has now been fully updated to include modern developments and the most recent scholarship It explains the sources and history of the world's religions includes material on the phenomenon of Black African and Asian diaspora religions around the world and explores the role of gender in modern religion

Sikh History and Religion in the Twentieth Century University of Toronto. Centre for South Asian Studies,1988 Some fourteen million Sikhs worldwide are heirs today to a tradition of faith recalling the devotional spirituality of Guru Nanak who lived in the Punjab five hundred years ago The twentieth century has witnessed a heightening of Sikhs self awareness as a community with an identity and aspirations distinct from their Hindu as well as their Muslim neighbours Overseas migration to countries such as Canada has also produced new challenges to Sikhs to think through the question of what the core of their tradition is and what aspects of their heritage are central in times far removed from Guru Nanak's and places distant from the Punjab Twenty four authoritative studies by scholars on four continents range across the contemporary Sikh

experience in India and overseas The contributors include experts on history religion literature linguistics politics sociology and anthropology *Textual Sources for the Study of Sikhism* W. H. McLeod,1984 This Anthology Contains Selections Which Cover All Aspects Of Sikh Belief Worship And Practice And Will Be Invaluable To Anyone Seeking An Understanding Of Sikh Doctrine And Tradition A Clean Copy **Sikh History and Religion in the Twentieth Century** Joseph T. O'Connell,Milton Israel,Willard Gurdon Oxtoby,W. H. McLeod,J. S. Grewal,1990 And finally a comprehensive bibliography and an extended glossary of Punjabi terms make it the finest enterprise of its kind in Sikh studies Canadian Sikhs Narindar Singh,Canadian Sikhs' Studies Institute,1994 A Book of Sikh Studies Gobind Singh Mansukhani,1989

Global Sikhs Opinderjit Kaur Takhar,Doris R. Jakobsh,2023-03-13 This book brings a broad holistic approach to the study of the phenomena of the global Sikh community referred to collectively as the Panth With contributions by an interdisciplinary range of experts the volume provides insight into current debates and discussions around Sikh identity in the twenty first century It examines the terms Sikh Sikhism and Sikhi and considers how those outside of the margins fit into larger definitions of the wider Panth Both the secular and religious dimensions of being a Sikh are explored and lived experience is a central theme throughout The chapters engage with issues of authority and diversity as well as representation as Sikhs become increasingly settled and active within their diasporic locales The book includes a variety of case studies and makes a valuable contribution to the growing field of Sikh studies *Contesting Interpretations of the Sikh Tradition* J. S. Grewal,1998 His own comments and insights based on a life long dedication to Sikh history provide an authoritative statement on the issues in this debate The clarity and sweep of the discussion make it an indispensable reading for the general reader and scholar alike *The Sikhs in History* Sangat Singh,2001 *Sikhism, Its Philosophy and History* Institute of Sikh Studies (Chandigarh, India),1997 Contributed articles A Student's Manual of the History of India from the Earliest Period to the Present Meadows Taylor,1871 **A school manual of modern geography. Physical and political** John Richardson (vicar of St. Mary's hospital, Ilford.),1876
