The Mirror Of Innocence:

The Mirror of Innocence Godwins Ratlabala,1997-01-01 This selection of poetry from the pen of a thoughtful and intelligent writer is a treasure house of religious musings and reflections which give an attractive insight into a vision of how we can all become more Christlike and thus closer to God

Innocent Marie Corelli,2019-04-29 The old by road went rambling down into a dell of deep green shadow It was a reprobate of a road a vagrant of the land having long ago wandered out of straight and even courses and taken to meandering aimlessly into many ruts and furrows under arching trees which in wet weather poured their weight of dripping rain upon it and made it little more than a mud pool Between straggling bushes of elder and hazel blackberry and thorn it made its solitary shambling way so sunken into itself with long disuse that neither to the right nor to the left of it could anything be seen of the surrounding country Hidden behind the intervening foliage on either hand were rich pastures and ploughed fields but with these the old road had nothing in common

Innocent : her fancy and his fact Marie Corelli,2021-05-19 Marie Corelli s *Innocent Her Fancy and His Fact* is a compelling exploration of the intricacies of love societal expectations and the conflict between idealism and realism The narrative marries poetic prose with a brisk pace immersing the reader in the mind of its protagonist whose innocent perceptions of romance are challenged by the harsh truths of reality Corelli s literary style characterized by its rich vocabulary and emotive fervor reflects the Victorian era s fascination with both supernatural elements and psychological depth using her characters to navigate the complexities of their desires against the backdrop of societal norms Marie Corelli a prolific author and one of the bestselling writers of her time drew upon her own experiences and the constraints placed on women in late 19th century society to craft her narratives Her background in music and a deep interest in spiritualism influenced her writing imbuing her works with a blend of melodrama and philosophical inquiry Often regarded as a pioneer for feminist thought Corelli s interest in the juxtaposition of innocence and experience resonates throughout the book inviting readers to reflect on their own perceptions of love and truth Aimed at those who revel in the exploration of romantic ideals clashing with reality *Innocent* is a thought provoking read that challenges conventional narratives of love Corelli s ability to evoke empathy through her characters makes this novel particularly appealing for scholars and casual readers alike as it encourages a deeper engagement with the themes of innocence illusion and the transformative power of love

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
