Strictures Upon the Views of the Rev. C. Voysey, B.A. Six Lectures Joseph Deans, 1871     **In Defense of Plural Marriage** Ronald C. Den Otter, 2015-05-28 With over half of Americans now in favor of marriage equality it is clear that societal norms of marriage are being quickly redefined The growing belief that the state may not discriminate against gays and lesbians calls into question whether the state may limit other types of marital unions including plural marriage While much has been written about same sex marriage as of yet there has been no book length legal treatment of unions among three or more individuals The first major study on plural marriage and the law In Defense of Plural Marriage begins to fill this lacuna in the scholarly literature Ronald C Den Otter shows how the constitutional arguments that support the option of plural marriage are stronger than those against Ultimately he proposes a new semi contractual marital model that would provide legal recognition for a wide range of intimate relationships     **The Defenders of the Faith, Or, The Christian Apologists of the Second and Third Centuries** Frederick Watson, 1878     **A Defense of Judaism Versus Proselytizing Christianity** Isaac Mayer Wise, 1889 The volume hereby presented to the reader was written and published in response to those missionary chieftains of the city of Cincinnati who took a vulgar renegade from Judaism by his hand and appointed him a

missionary to the Jews and notwithstanding the man's illiteracy furnished him with a pulpit and invited the Jews week after week by pompous advertisements in the public press and handbills freely distributed in the streets to come and hear that renegade. The author considering that uncalled for action of church dignitaries an insult to Judaism felt it his duty to resent it and so he did. Here is an answer to the main question why the Israelite can not embrace Christianity. Quite a number of books exists in which the relative points are discussed although the author recollects none written from his standpoint of universal brotherhood universal salvation and universal religion moral freedom political equality and the supremacy of reason with the highest respect for Judaism Christianity the Islam and every other religion in harmony with the postulate of reason and the standard of conscience.
