The Ministry Of The New Covenant And The Spirit:

The New Covenant Ministry of the Holy Spirit Larry Pettegrew, 2013-03-01 He is our Helper Comforter and Counselor and without Him we cannot live the Christian life Yet His role in believers lives is at the heart of one of the church s most difficult and controversial issues It s significantly easier to recognize that the Day of Pentecost changed the role of the Holy Spirit in the lives of God s people than to clearly identify how that role changed At times the biblical data seems puzzling and scholars have often confused the scriptural teaching about the Holy Spirit by isolating Bible verses from their context and elevating experience over doctrine In this revised edition of *The New Covenant Ministry of the Holy Spirit* Larry Pettegrew does thorough and careful exegesis to build an accurate and meaningful biblical theology of the Holy Spirit The author is also careful to emphasize genuine spirituality by including a discussion of the filling fruit and gifts of the Holy Spirit *The Ministry of the Word, Vol. 28, No. 08: The Crucial Points of the Truth in Paul's Epistles-Second Corinthians* Various Authors, 2024-10-14 This issue of *The Ministry of the Word* contains the first eight of the sixteen messages given during the spring 2024 term of the full time training in Anaheim California The general subject of this series of messages is *The Crucial Points of the Truth in Paul s Epistles 2 Corinthians* *The Ministry, Vol. 02, No. 05* Various Authors, 1998-05-01 **The Ministry, Vol. 11, No. 09** Various Authors, 2007-11-01 This issue of *The Ministry* contains the first nine messages given during the 2006 spring term of the full time training in Anaheim California The general subject of this series of messages is *Knowing and Experiencing the Intrinsic Constitution of the Building of God* The building of God is the corporate expression of the processed and consummated Triune God in and through His chosen redeemed regenerated renewed sanctified transformed and glorified people It is the corporate expression of the Triune God produced by the mingling of God and man and by the building of God into man and man into God God s goal is to build up the Body of Christ to consummate the New Jerusalem which is the consummate building of God This glorious consummate building has a number of outstanding characteristics However the highest characteristic of the building of God is that it is a personal building that is a person the corporate God man When our Lord Jesus Christ came through incarnation to be a man the God man He Himself was a building John 1 14 2 19 21 The Lord Jesus Himself as the mingling of God and man was God s building in miniature As an individual man He was both the tabernacle and the temple However God s goal is to enlarge this individual building by multiplying Christ through death and resurrection and then working this Christ into our whole being until we are the same as He is in every way except in the Godhead The result will be a corporate building which is a corporate person the bride of Christ and the wife of the Lamb God s goal in the whole universe is to gain such a spiritual organic and personal building Last of all we include a report concerning a recent international blending conference in Accra Ghana West Africa *The Ministry, Vol. 12, No. 02* Various Authors, 2008-02-01 This issue of *The Ministry* contains a complete record of the nine messages given during the 2007 International Training for Elders and Responsible Ones in Mexico City Mexico October 4 6

2007 The general subject of the training was Knowing and Caring for the Church This knowing is a knowing by revelation and by the experience of life We need to know the Lord to know God s economy the divine dispensing and to know the church Our care for the church is limited by our knowing of the church and our behavior and proper conduct in the church as the house of God is determined by our knowing of the church This is a set principle The burden in these messages is that we must first know the church in order to care for the church If we do not know the church we cannot care for the church in a proper way Therefore we need to be those who know the church in the way that God knows the church and then we need to care for the church in the way that God cares for the church Our knowing the church according to revelation and the experiences of life brings in the proper caring We must care for the church according to the revelation the vision and the experiences of life that have constituted our inner knowing of the church Therefore our knowing of the church which is progressive must increase We also include letters from Romania concerning the Lord s move there **An American**
