Tennyson Among the Novelists John Morton,2010-06-24 Until now the study of

literary allusion has focused on allusions made by poets to other poets In Tennyson Among the Novelists John Morton presents the first book length account of the presence of a poet s work in works of prose fiction As well as shedding new light on the poems of Tennyson and their reception history Morton covers a wide variety of novelists including Thomas Hardy James Joyce Evelyn Waugh and Andrew O Hagan offering a fresh look at their approach to writing Morton shows how Tennyson s poetry despite its frequent depreciation by critics has survived as a vivifying presence in the novel from the Victorian period to the present day

Adapting Detective Fiction Neil McCaw,2010-11-18 Adapting Detective Fiction is a study of specific instances of adaptation with close readings of both the originating sources and adapted texts But it is also more than this It is a study of the politics of representation in the last decades of the twentieth century and the role television detective fiction plays in this It is about the mutually informing interrelation of cultural texts and political rhetoric about the connection between the popular cultural depiction of crime and criminality and how we come to understand human behaviour and culpability most of all it is a detailed consideration of what the process of adaptation reveals about the shifting nature of the world in which we live With specific reference to television series such as The Adventures of Sherlock Holmes Miss Marple Inspector Morse A Touch of Frost Cadfael and Midsomer Murders Adapting Detective Fiction uses adaptation as the basis for an exercise in later twentieth century cultural history illustrating the fundamental role detective fictions play in popular beliefs about the nature of crime and Englishness
