Puchades,2014-04 Those blessed with the gift of sight see themselves in a mirror every day But there is an invisible mirror that lies within each of us the reflections of which are not seen but are felt in all we say and do These are the reflections implanted by the Creator that tie us to the formation of the universe the earth and most importantly one another through our common origins and ancestry In The Mirror Within author Michael A Puchades draws parallels to the synchronicity that exists between our birth and the birth of the universe He travels back in time to gain a deeper understanding of the reflections we as a human race have already received and will continue to receive in the journey ahead Puchades examines traits that tie us to this universe the planet and one another the lines and cracks in our palms the common cries at the moment we are born and the life stages we all live through while on this planet The Mirror Within draws from Puchades experiences as a father husband son and God fearing attorney to deliver a life saving message that combines both the story of man s creation and the road to personal salvation *The Mirror Within* HECTOR.
