## **The Mission Of The Church:**

**The Mission of God's People** Christopher J. H. Wright, 2010-09-07 What does the Bible say about God's purpose for us the witness of the church and our mission to spread the message of the gospel Chris Wright's pioneering 2006 book *The Mission of God* revealed that the typical Christian understanding of missions encompasses only a small part of God's overarching mission for the world. God is relentlessly reclaiming the whole of creation for himself and each of us fit into that big picture plan. In *The Mission of God's People* Wright argues that having a strong biblical theology that shapes our thinking and behavior must be in place before answering the call of the Great Commission. Wright first steps back and answers some of the biggest questions of God's story and our place within it: Who are the people of God? What kind of people are we? What are the priorities and limits of our mission? What exactly is the gospel that lies at the core of our mission? What was it that made Christianity a missionary faith from the very start? While answering these essential questions Wright thoroughly details what the Old and New Testaments teach Christians about being God's people. He addresses questions of both ecclesiology the theology of the church and missiology the practice and methodology of missions with topics like called to care for creation called to bless the nations sending and being sent and rejecting false gods. Part of the Biblical Theology for Life series this practical and robust book will help you and your church ground your witness bearing purpose and worship on the solid foundation of biblical understanding and reflection.

**What Is the Mission of the Church?** Roger P. Schroeder, 2008 After years of practical work in overseas mission studies of how the mission of Jesus has been carried on through the centuries and teaching in the United States, Papua New Guinea, the Philippines, Africa, and China, Roger Schroeder set out to distill the wisdom he has gained and mix it with the wisdom of church teaching. The result is a book to help individuals, parishes, dioceses, and national churches grapple practically and put themselves heart and soul into the mission of being Christ in our suffering world.

**The Mission of the Church** Craig Ott, 2016-08-02 Leading Voices from across Christian Traditions Discuss the Mission of the Church. What is the mission of the church? Every seminarian and church leader must wrestle with that question. No matter what designation a church uses to describe itself, it must also think critically about why it exists and what it should be doing. In this book, five leading voices representing a range of Christian traditions engage in an enlightening conversation as they present and compare their perspectives on the mission of the church. Each contributor offers his or her view and responds to the other four views. Contributors include Stephen B. Bevans, Darrell L. Guder, Ruth Padilla, DeBorst, Edward Rommen, and Ed Stetzer. The book's format is ideal for classroom use and will also benefit pastors and church leaders.

**What Is the Mission of the Church?** Kevin DeYoung, Greg Gilbert, 2011-09-08 Social justice and mission are hot topics today. There's a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others. But in our zeal to get sharing and serving, many are unclear on gospel and mission. Yes, we are

called to spend ourselves for the sake of others but what is the church's unique priority as it engages the world DeYoung and Gilbert write to help Christians articulate and live out their views on the mission of the church in ways that are theologically faithful exegetically careful and personally sustainable Looking at the Bible's teaching on evangelism social justice and shalom they explore the what why and how of the church's mission From defining mission to examining key passages on social justice and their application to setting our efforts in the context of God's rule DeYoung and Gilbert bring a wise studied perspective to the missional conversation Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus call to preach the Word and make disciples

The title of this book originates from the self description of Namibian Evangelists in their own words African evangelists of the Rhenish Mission Society RMS played a crucial but mostly

overlooked role in shaping the spiritual and social networks that transformed indigenous communities from the early

nineteenth century The author draws from a wide range of German Namibian and South African archival sources that have

been supplemented with a large number of interviews to explore the history of the indigenous evangelists of the RMS African

supporters were often the first heralds of the new religion at remote villages and cattle posts before the white strangers

made an appearance The Namibian evangelists familiarity with the traditional culture and the local vernacular endowed

them with a credibility that many of the European newcomers found difficult to acquire By interweaving mission and church

history between 1820 and 1990 with a biographical approach the author brings a hidden chapter in Namibian history to life

Why are more churches not engaged in practical substantial ways of taking the gospel to the nations When Missions Shape the Mission unpacks a

statistical study of traditionally evangelical churches that reveals their anemic level of commitment to the biblical mandate of

making Christ known around the world Veteran pastor David Horner makes the data easy to understand challenging other

pastors to radically assign their best leadership and resources to missions as he looks at where the church is today how it got

there and where we must go from here Let s dream a godly dream What if you committed to step up and lead your church in the pursuit of becoming a mission focused church Then what if you invited ten of your pastor friends to join you in the effort and each of them did the same What would happen to the available missions force beginning right here in the West
