## **The Modern American Novel:**

The Modern American Novel Malcolm Bradbury, 1983 The Modern American Novel is an indispensable handbook for all those interested in the novel and American culture This new completely revised and updated edition of Malcolm Bradbury's examination of the modern American novel offers an extensive account of the multiplicity and variety of contemporary American fiction while providing a clear critical survey of the fictional scene from the 1890s to 1991 In this broad study Malcolm Bradbury traces the development of naturalism and impressionism the growth of modernism the realism of the thirties and forties to the postmodern experiment of the sixties and the work of contemporary American writers Goodreads

*A Companion to the Modern American Novel, 1900 - 1950* John T. Matthews, 2013-03-25 This cutting edge Companion is a comprehensive resource for the study of the modern American novel Published at a time when literary modernism is being thoroughly reassessed it reflects current investigations into the origins and character of the movement as a whole Brings together 28 original essays from leading scholars Allows readers to orient individual works and authors in their principal cultural and social contexts Contributes to efforts to recover minority voices such as those of African American novelists and popular subgenres such as detective fiction Directs students to major relevant scholarship for further inquiry Suggests the many ways that modern American and fiction carry new meanings in the twenty first century **The Modern American**

**Novel** Steven G. Kellman, 1991 Intended for undergraduate and high school students with references primarily to book length works The American Novel of War Wallis R. Sanborn, III, 2012-10-16 In song verse narrative and dramatic form war literature has existed for nearly all of recorded history Accounts of war continue to occupy American bestseller lists and the stacks of American libraries This innovative work establishes the American novel of war as its own sub genre within American war literature creating standards by which such works can be classified and critically and popularly analyzed Each chapter identifies a defining characteristic analyzes existing criticism and explores the characteristic in American war novels of record Topics include violence war rhetoric the death of noncombatants and terrain as an enemy *The Modern American Novel* Max Westbrook, 1966 **A Companion to the Modern American Novel, 1900 - 1950** John T.

Matthews, 2013-06-10 This cutting edge Companion is a comprehensive resource for the study of the modern American novel Published at a time when literary modernism is being thoroughly reassessed it reflects current investigations into the origins and character of the movement as a whole Brings together 28 original essays from leading scholars Allows readers to orient individual works and authors in their principal cultural and social contexts Contributes to efforts to recover minority voices such as those of African American novelists and popular subgenres such as detective fiction Directs students to major relevant scholarship for further inquiry Suggests the many ways that modern American and fiction carry new meanings in the twenty first century *The Politics of Transparency in Modern American Fiction* Paula Martín Salván, Sascha Pöhlmann, 2024 A much needed contribution to and critique of debates in the newly emerging field of transparency studies

from the perspective of American literary studies In the twenty first century transparency has become an ambiguous buzzword both in the public and the private realms e g Wikileaks and the Snowden affair social media This volume takes its cue from the emerging field of transparency studies recent scholarly work in sociology political theory and cultural studies that identifies a hegemonic rhetoric of transparency in public and political life While scholars in this new field routinely gesture toward literature as the realm where secrecy may be productive they rarely engage with literature directly and literary studies itself remains notably absent from their debates This collection of essays seeks to redress that state of affairs by focusing on literary texts written in an American cultural tradition steeped in the interplay between transparency and exposure fear and secrecy security and surveillance and information and disinformation The essays draw on authors ranging from Whitman James and Ellison to Pynchon Morrison and Eggers to argue that American literature complicates theoretical assumptions about transparency made in other disciplines They question the field s strong theoretical emphasis on present day technopolitical practices and discourses as the location of hegemonic discourse on transparency and instead historicize such phenomena and extend them to discursive spheres that have so far been neglected such as issues of sexuality and race Edited by Paula Martin and Sascha Pohlmann Contributors Tomasz Basiuk Jesus Blanco Hidalgo Cristina Cheveresana Julia Faisst Michel Feith Julian Jimenez Heffernan Tiina Kalkela Juan Lopez de Luque Umberto Rossi Jelena Sesnic Toon Staes Julia Straub Alice Sundman Classical Tradition in Modern American Fiction Tessa Roynon, 2020-12-04

Explores the importance and complexity of classical allusiveness in the modern American novel Explores both the sheer extent and the ideologically invested nature of classical allusiveness in the modern American novel Sheds significant new light on canonical and often taught major American novelists Synthesizes and builds on existing research to demonstrate how a proper understanding of each writer s classical allusiveness contributes to broad debates about modernism and postmodernism intertextuality and the history and categorization of the American novel Draws on the methodologies and insights of Classical Reception studies as well as American studies and makes an invaluable contribution to both fields Includes a user friendly glossary that explains all the classical names concepts and words This book is an invaluable survey of the allusions to ancient Greek and Roman culture in the work of seven major modern American novelists Willa Cather F Scott Fitzgerald William Faulkner Ralph Ellison Toni Morrison Philip Roth and Marilynne Robinson Making the classical world accessible to all readers it combines new close readings of three key texts by each author with overviews of the essential prior scholarship in the field It also builds on archival research in documenting the nature and extent of each author s own familiarity with classical literature and languages **The Dream of the Great American Novel** Lawrence Buell, 2014-02-10 Magisterial makes you suddenly see new things in familiar books brilliant analyses of a dozen or so front runners in the Great American Novel sweepstakes Michael Dirda Virginia Quarterly Review The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday defying more than 150 years of attempts to

dismiss it as amateurish or obsolete In this landmark book the first in many years to take in the whole sweep of national fiction Lawrence Buell reanimates this supposedly antiquated idea demonstrating that its history is a key to the dynamics of national literature and national identity itself The dream of the G A N as Henry James nicknamed it crystallized soon after the Civil War In fresh in depth readings of selected contenders from the 1850s onward in conversation with hundreds of other novels Buell delineates four scripts for G A N candidates and their themes illustrated by such titles as *The Scarlet Letter* *The Great Gatsby* *Invisible Man* *Uncle Tom's Cabin* *Beloved* *Moby Dick* and *Gravity's Rainbow* works dwelling on topics from self invention to the promise and pitfalls of democracy The canvas of the great American novel is in constant motion reflecting revolutions in fictional fashion the changing face of authorship and the inseparability of high culture from popular As Buell reveals the elusive G A N showcases the myth of the United States as a nation perpetually under construction Engaging and provocative ultimately affirms the importance of literature to a nation's sense of itself Sarah Graham Times Literary Supplement Rich in critical insight Buell wonders if the GAN isn't stirring again in surprising new developments in science fiction An impressively ambitious literary survey Booklist starred review
