## **The Monroe Doctrine Its Modern Significance:**

**The Monroe Doctrine** Donald Marquand Dozer,1965      **The Monroe Doctrine** Ralph Thomlinson,1965      **The Monroe Doctrine** Donald Marquand Dozer,1976      **The Doctrines of US Security Policy** Heiko Meiertoöns,2010-06-10

The practise of outlining principles for the conduct of US security policy in so called doctrines is a characteristic feature of US foreign policy From an international lawyer s point of view two aspects of these doctrines are of particular interest First to what degree are the criteria for the use of force as laid down in these doctrines consistent with the limitations for the use of force in international law Second which law creating effects do these doctrines have Furthermore the legal nature of these doctrines remains uncertain These matters are examined beginning with the Monroe Doctrine of 1823 and taking into account the Stimson Doctrine of 1932 the doctrines of the Cold War period and the Bush Doctrine of 2002 The Bush Doctrine in particular has generated controversies concerning its compatibility with Article 51 of the UN Charter due to its principle of preventive self defence      **The Monroe Doctrine** Alejandro Alvarez,1924 FROST Copy 1 From the John Holmes Library collection      **Reader's Guide to American History** Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history      **Colonialism** Melvin E. Page,2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism s bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered

**The Routledge Handbook of American Military and Diplomatic History** Christos G. Frentzos,Antonio S. Thompson,2014-09-15 The Routledge Handbook of American Military and Diplomatic History provides a comprehensive

analysis of the major events conflicts and personalities that have defined and shaped the military history of the United States This volume The Colonial Period to 1877 illuminates the early period of American history from the colonial warfare of the 17th century through the tribulations of Reconstruction The chronologically organized sections each begin with an introductory chapter that provides a concise narrative of the period and highlights the scholarly debates and interpretive schools of thought in the historiography followed by topical chapters on issues in the period Topics covered include colonial encounters and warfare the French and Indian War the American Revolution diplomacy in the early American republic the War of 1812 westward expansion and conquest the Mexican American War the Civil War and Reconstruction With authoritative and vividly written chapters by both leading scholars and new talent this state of the field handbook will be a go to reference for every American history scholar s bookshelf
