The Metaphysics of Dante's Comedy Christian Moevs,2005-03-17 Dante s metaphysics his understanding of reality is very different from our own To present Dante s ideas about the cosmos or God or salvation or history or poetry within the context of post Enlightenment presuppositions as is usually done is thus to capture only imperfectly the essence of those ideas The recovery of Dante s metaphysics is essential argues Christian Moevs if we are to resolve what has been called the central problem in the interpretation of the Comedy That problem is what to make of the Comedy s claim to the status of revelation vision or experiential record as something more than imaginative literature In this book Moevs offers the first sustained treatment of the metaphysical picture that grounds and motivates the Comedy and of the relation between those metaphysics and Dante s poetics He carries this out through a detailed examination of three notoriously complex cantos of the Paradiso read against the background of the Neoplatonic and Aristotelian tradition from which they arise Moevs finds the key to the Comedy s metaphysics and poetics in the concept of creation which implies three fundamental insights into the nature of reality 1 The world finite being is radically contingent dependent at every instant on what gives it being 2 The relation between the world and the ground of its being is non dualistic God is not a thing and there is nothing the world is made of 3 Human beings are radically free unbound by the limits of nature and thus can find all of time and space within themselves These insights are the foundation of the pilgrim Dante s journey from the center of the world to the Empyrean which contains it For Dante in sum what we perceive as reality the spatio temporal world is a creation or projection of

conscious being which can only be known as oneself Moevs argues that self knowledge is in fact the keystone of the Aristotelian and Neoplatonic philosophical tradition and the essence of the Christian revelation in which that tradition culminates Armed with this new understanding Moevs is able to shed light on a series of perennial issues in the interpretation of the Comedy In particular it becomes clear that poetry coincides with theology and philosophy in the poem Dante poeta cannot be distinguished from Dante theologus A Manual Containing Information Respecting the Growth of the Mulberry Tree Jonathan Holmes Cobb,2016-08-30 Excerpt from A Manual Containing Information Respecting the Growth of the Mulberry Tree With Suitable Directions for the Culture of Silk In Three Parts The Committee have examined the subject attentively and find it to be of much greater importance than was at first supposed They are surprised to find how great afield is here open and how long it has been neglected they are satisfied beyond a doubt that we have the power to produce and manufacture Silk in this Commonwealth to an immense extent and that no difficulty is to be encountered either from soil or climate About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Practical Hints on the Culture of the Mulberry Tree** Conn Citizen of Mansfield (pseud.),1839 **Milly and the Mulberry Tree** Vikki Conley,2022-06 Milly s mulberry tree is the centre of her world the place where she plays with her Papa learns about nature and creates magical potions until she grows up and finds herself in a faraway land still dreaming of home *A Manual Containing Information Respecting the Growth of the Mulberry Tree* Jonathan Holmes Cobb,1833 *Farmers' Register* Edmund Ruffin,1838
