A Novel about the Middle East** Alexander Raban Waugh,1965 **Missing in the Minarets** William Alsup,2020-06-23 This riveting narrative details the mysterious disappearance of Peter Starr a San Francisco attorney from a prominent family who set off to climb alone in the rugged Minaret region of the Sierra Nevada in July 1933 Rigorous and thorough searches by some of the best climbers in the history of the range failed to locate him despite a number of promising clues When all hope seemed gone and the last search party had left the Minarets mountaineering legend Norman Clyde refused to give up Climbing alone he persevered in the face of failure resolved that he would learn the fate of the lost man Clyde s discovery and the events that followed make for compelling reading Recently reissued with a new afterword this re creation of a famous episode in the annals of the Sierra Nevada is mountaineering literature at its best **Evliyā Çelebi in Albania and Adjacent Regions (Kosovo, Montenegro, Ohrid)** Robert Dankoff,Robert Elsie,2023-09-20 This volume includes a critical edition and annotated translation of Evliya elebi s descriptions of Albania and adjacent regions extracted from his Sey hatn me or Book of Travels It is a source of major importance for our knowledge of the region in the seventeenth century **Saudade** Jaspreet Kalra,2014-05-13 Saudade a collection of poems takes you on a journey of finding poetry in each miniscule part of life the most commonplace of things envisioned with a deeper sight make saudade so relatable for the reader as all the protagonists are characters such that the reader can very well put himself in their place The intricacy of emotions like pain anguish longing nostalgia at different bandwidths is the highlight of this collection Saudade mixes storytelling and poetry as the poet chooses to tell short instances of lives that are spent independent of each other yet have similar feelings expressed through a variety of musical and literary effects Some of these stories are heart wrenching some give you a candid joy but each one leaves you with a subtle smile on the face and a slow wind of melancholy in the soul
