The Muslim Marriage Guide:

The Muslim Marriage Guide Ruqaiyyah Waris Maqsood,1995 Islam teaches that marriage is half of religion Because it fulfills so many basic needs of individuals and of society it is the cornerstone upon which the whole Muslim life is built This highly readable book takes the reader through the relevant passages in the Qur an and Hadith and goes on to discuss the main social emotional and sexual problems that can afflict relationships suggesting many practical ways in which these can be resolved *Muslim Marriage Guide* ,1994 Marriage in Islam Muhammad Abdul-Rauf,1995 *I Want To Marry You But...: A Marriage Guide For The Young Adult* Jennifer Yeo,2017-01-17 Lawyers may have a tendency to treat marriage as a strict legal agreement between two parties with certain legal rules and terms that must be followed Though in some ways akin to a contract the institution of marriage goes far beyond contractual obligations It encompasses social financial and emotional bonds between both parties The law may seem daunting for many non legally trained individuals This unique book written from the perspective of Singapore law provides an insight into the impact the law will have on him or her It simplifies the labyrinth of legislation and case law to allay fears encourage an understanding of what marriage entails and flag out possible difficulties the reader may face during the course of his or her relationship The guide will also showcase the rights and responsibilities that result from a marriage

The Complete Idiot's Guide to Understanding Islam, 2nd Edition Yahiya Emerick,2004-11-02 An up close and up to date look at an often misunderstood faith This completely revised and updated guide explores the tenets of the Qu ran a k a Koran examines the history of the religion and its relationship to Christianity and Judaism and features an expanded section on the true story behind jihad It explores Islamic views on war and terrorism including the Muslim perspective on the tragic events of September 11 and the subsequent U S presence in both Afghanistan and Iraq Excellent sales for the first edition Islam is the fastest growing religion in America with more than six million devoted followers Features an expanded section on women in Islam including their status within the Taliban and the Islamic practice of polygamy Sex and Romance in Islam Dr Zam,Dr Zam's Institute of Holistic Living,2024-07-08 This book Sex and Romance in Islam A Comprehensive Guide Based on Quran Hadith and Modern Evidence is born out of a deep need to provide a balanced and holistic understanding of intimate relationships within the Islamic framework In today s rapidly changing world Muslims often find themselves navigating a complex landscape of cultural expectations religious teachings and modern scientific insights This book aims to bridge these worlds offering a comprehensive guide that is both deeply rooted in Islamic principles and informed by contemporary research Marriage in Islam is a sacred institution a partnership built on love respect and mutual support It is a union that not only fulfills physical and emotional needs but also serves as a means of spiritual growth and societal stability The Quran and the Hadith of Prophet Muhammad peace be upon him offer profound guidance on how to nurture this union ensuring that both partners find peace and fulfillment In writing this book we have sought to stay true to the timeless wisdom of Islamic teachings while incorporating the latest evidence

based data on sexual health marital satisfaction and relationship dynamics Each chapter is designed to provide actionable insights practical strategies and real world examples that can help couples enhance their intimate relationships in a way that aligns with their faith Our approach has been to present the teachings of the Quran and Hadith in a manner that is accessible and relevant to contemporary readers We have included prophetic examples to illustrate how these teachings were lived out by the Prophet Muhammad peace be upon him and his companions Additionally we have drawn on modern research to highlight how these timeless principles can be applied in today s context to foster healthy fulfilling and lasting marital relationships We hope that this book will serve as a valuable resource for couples seeking to deepen their understanding of sex and romance in Islam Whether you are newly married have been together for many years or are preparing for marriage we believe that the insights and guidance provided here will help you build a stronger more intimate and more harmonious relationship May Allah bless your marriage with love tranquility and mutual respect May He guide you in all your endeavors and grant you success in this life and the hereafter Ameen

Islamic Counselling G. Hussein Rassool,2015-07-16 Islamic counselling is a form of counselling which incorporates spirituality into the therapeutic process Until now there has been little material available on the subject with no one agreed definition of Islamic counselling and what it involves There has also been a rapidly growing population of Muslims in Western societies with a corresponding rise in need of psychological and counselling services **Islamic Counselling An Introduction to theory and practice** presents a basic understanding of Islamic counselling for counsellors and Islamic counsellors and provides an understanding of counselling approaches congruent with Islamic beliefs and practices from a faith based perspective The book is designed as an introduction for counsellors its goal is to inform the reader about how the diverse roles of the Islamic counsellor fit together in a comprehensive way and to provide the guidelines that can be potentially integrated into a theoretical framework for use The book is divided into two parts Section one Context and Background and Section two Assessment Models and Intervention Strategies **Islamic Counselling** encompasses both current theory research and an awareness of the practice implications in delivering appropriate and effective counselling interventions with Muslim clients It will be essential reading for both professionals and students alike
