Glaude, 2003-01-01 Believing that African American religious studies has reached a crossroads Cornel West and Eddie Glaude seek in this landmark anthology to steer the discipline into the future Arguing that the complexity of beliefs choices and actions of African Americans need not be reduced to expressions of black religion West and Glaude call for more careful reflection on the complex relationships of African American religious studies to conceptions of class gender sexual orientation race empire and other values that continue to challenge our democratic ideals

**Barrelhouse Blues** Paul Oliver, 2009-08-25 In the 1920s Southern record companies ventured to cities like Dallas Atlanta and New Orleans where they set up primitive recording equipment in makeshift studios They brought in street singers medicine show performers pianists from the juke joints and barrelhouses The music that circulated through Southern work camps prison farms and vaudeville shows would be lost to us if it hadn't been captured on location by these performers and recorders Eminent blues historian Paul Oliver uncovers these folk traditions and the circumstances under which they were recorded rescuing the forefathers of the blues who were lost before they even had a chance to be heard A careful excavation of the earliest recordings of the blues by one of its foremost experts Barrelhouse Blues expands our definition of that most American style of music *Watch This!* Jonathan L.
