Souls Belated:

Souls belated Edith Wharton,1990 **The Greater Inclination** Edith Wharton,1900 **Edith Wharton** Carol J. Singley,1995 A study of religion and philosophy in the novels and short stories of Edith Wharton first published in 1995

Apart from Modernism Robin Peel,2005 The study emphasizes the crucial role that Wharton's contact with Europe had on her writing and the significance intellectually and politically of her relationship with Morton Fullerton and her reading of his books on politics It locates Wharton in her period surrounded as she was by discourses which called for political and social change change which an outlook that Peel calls American Toryism made her reluctant to embrace Her love of motorcars and her excitement about other technological developments such as aeroplanes was inspired by a feeling of exclusivity and not the democratization of culture which she feared and condemned France England Italy and America formed the quartet of countries that contained the best and worst of culture and Peel emphasizes how ironical it was that a writer whose ideological beliefs endorsed the importance of home roots and tradition should have spent so much of her life as a restless apparently rootless traveler BOOK JACKET **About Edith Wharton: "Souls Belated"** Elisabeth Eidner,2011-11-04 Seminar paper from the year 2011 in the subject American Studies Literature grade bestanden University of Leipzig Institut für Amerikanistik course The 19th century in American female fiction language English abstract enforcements and become an independent human being In which way she tries to free herself from the entrapment called marriage which developments her way to her personal liberty goes through and if she eventually succeeds will be discussed in this term paper In the first part of this term paper I want to report briefly about the second half of the nineteenth century in America and the role of women especially female writers Afterward there will be a short look at the author's vita because the way Wharton lived tells us much about her understanding of different themes Then I want to analyze Wharton's short story *Souls Belated* which contains a lot of themes and symbols from which the most interesting will be described and interpreted In a final conclusion I will try find an answer to the essential topic of Wharton's story Does the protagonist succeed in escaping the social conventions due to her divorce or does she fail And is it possible at all to free oneself of the social imprisonment of the time described particularly as a woman This term paper focuses on the thesis that *Souls Belated* is mirroring the social conditions of Edith Wharton's 19th century New York Society and the institution of marriage as a kind of cage for women *The Bars of Iron* Ethel M. Dell,2022-09-15 In *The Bars of Iron* Ethel M Dell crafts a poignant narrative steeped in the emotional turbulence of love and moral dilemmas Set against a backdrop of personal and societal conflicts the novel employs a lyrical style interspersed with vivid imagery and character introspection Dell masterfully delves into themes of sacrifice fidelity and the pangs of unrequited love reflecting the early 20th century sensibilities that sought to grapple with the rigid constraints of social conventions The interplay between strength and vulnerability defines her characters making them resonate with readers on multiple levels Ethel M Dell was a prominent figure in early 20th century literature known for

her keen observations on human emotions and relationships Her own experiences of love and loss coupled with her background in a society marked by rigid class structures and gender roles heavily influenced her storytelling Dell s ability to weave complex emotional narratives stems from her keen understanding of the human psyche and the intricacies of romantic entanglements which she vividly portrays in this work For readers who appreciate novels rich in emotional depth and character exploration *The Bars of Iron* is a compelling choice Dell s powerful storytelling invites readers to reflect on their own beliefs about love and duty making this work a timeless exploration of the human condition that continues to resonate today

The Greater Inclination Edith Wharton,2016-01-25 THE MUSE S TRAGEDY Danyers afterwards liked to fancy that he had recognized Mrs Anerton at once but that of course was absurd since he had seen no portrait of her she affected a strict anonymity refusing even her photograph to the most privileged and from Mrs Memorall whom he revered and cultivated as her friend he had extracted but the one impressionist phrase Oh well she s like one of those old prints where the lines have the value of color He was almost certain at all events that he had been thinking of Mrs Anerton as he sat over his breakfast in the empty hotel restaurant and that looking up on the approach of the lady who seated herself at the table near the window he had said to himself That might be she Ever since his Harvard days he was still young enough to think of them as immensely remote Danyers had dreamed of Mrs Anerton the Silvia of Vincent Rendle s immortal sonnet cycle the Mrs A of the Life and Letters Her name was enshrined in some of the noblest English verse of the nineteenth century and of all past or future centuries as Danyers from the stand point of a maturer judgment still believed The first reading of certain poems of the Antinous the Pia Tolomei the Sonnets to Silvia had been epochs in Danyers s growth and the verse seemed to gain in mellowness in amplitude in meaning as one brought to its interpretation more experience of life a finer emotional sense Where in his boyhood he had felt only the perfect the almost austere beauty of form the subtle interplay of vowel sounds the rush and fulness of lyric emotion he now thrilled to the close packed significance of each line the allusiveness of each word his imagination lured hither and thither on fresh trails of thought and perpetually spurred by the sense that beyond what he had already discovered more marvellous regions lay waiting to be explored Danyers had written at college the prize essay on Rendle s poetry it chanced to be the moment of the great man s death he had fashioned the fugitive verse of his own storm and stress period on the forms which Rendle had first given to English metre and when two years later the Life and Letters appeared and the Silvia of the sonnets took substance as Mrs A he had included in his worship of Rendle the woman who had inspired not only such divine verse but such playful tender incomparable prose

The Letters of Jane Austen Jane Austen,2022-05-28 In *The Letters of Jane Austen* readers are granted intimate access to the thoughts and reflections of one of English literature s most revered authors This collection spans the years of Austen s life showcasing her keen observations on society love and familial relationships all articulated with her characteristic wit and irony The letters reveal much about her literary process explore her complex characters and highlight the societal constraints of early 19th century England The

intimate and candid nature of these correspondences provides a valuable context to Austen's novels enriching the experience of her fiction through a lens of personal insight and historical nuance Jane Austen born in December 1775 navigated the societal mores of her time with a unique perspective shaped by her close knit family and educational experiences A keen observer of the social dynamics around her her letters offer glimpses into her writing struggles discussions on the role of women and insights into her relationships particularly with her siblings Often considered a critic of social status and class constraints these letters provide essential background for understanding her novels like *Pride and Prejudice* and *Sense and Sensibility* For those wishing to delve into the mind of Jane Austen *The Letters of Jane Austen* is an indispensable read It not only complements her literary oeuvre but also allows readers to appreciate the personal struggles and joys of the author herself This compelling collection serves both scholars and enthusiasts inviting them to engage deeper with Austen's enduring legacy

Twelve Stories by American Women Arielle Zibrak, 2025-03-18 A collection of twelve essential short stories by iconic American women writers that introduces a more diverse canon and emphasizes non white and queer writers to better represent the experiences of all American women and to understand the importance of the short story for women A Penguin Classic When *Four Stories by American Women* was first published by Penguin Classics in 1990 it understandably reflected the second wave feminist interpretations of that time a period marked by an impressive recovery of what were then considered to be minor American writers Since then the four white women writers included in the volume Rebecca Harding Davis Charlotte Perkins Gilman Sarah Orne Jewett and Edith Wharton have become canonical figures and scholars have grown to see their work as only a small part of the rich tapestry of American women's lives values and political beliefs in the fertile period of late nineteenth century and early twentieth century American literature Today we not only have a deeper understanding of the significance of these texts and the complicated nature of their authors ideological orientations scholars and educators have also expanded the canon of American women writers to more frequently foreground the voices of non white and queer writers whose work speaks more fully to the experiences and beliefs of all American women This updated and expanded volume *Twelve Stories by American Women* edited by Arielle Zibrak offers a more diverse selection of writers including Frances Ellen Watkins Harper Mar a Cristina Mena Zitkala a Sui Sin Far and Barbara E Pope covers hot button issues such as environmentalism queerness and marital status and provides a new introduction that highlights the developments in the critical understanding of turn of the century American women writers in all of their complexity

Four Stories by American Women Various, 1990-12-01 Representing four prominent American women writers who flourished in the period following the Civil War this collection includes *Life in the Iron Mills* by Rebecca Harding Davis *The Yellow Wallpaper* by Charlotte Perkins Gilman *The Country of the Pointed Firs* by Sarah Orne Jewett and *Souls Belated* by Edith Wharton For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres

and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **East & West** ,1900
