The SAGE Guide to Key Issues in Mass Media Ethics and Law William A. Babcock, William H. Freivogel, 2015-03-23
The SAGE Guide to Key Issues in Mass Media Ethics and Law is an authoritative and rigorous two volume issues based reference set that surveys varied views on many of the most contentious issues involving mass media ethics and the law. Divided into six thematic sections covering information from contrasting ethical responsibly and legal rights for both speech and press newsgathering and access and privacy to libelous reporting business considerations and changing rules with social media and the Internet the information in this guide is extremely relevant to a variety of audiences. This guide specifically focuses on matters that are likely to be regular front page headlines concerning topics such as technological threats to privacy sensationalism in media coverage of high profile trials cameras in the courtroom use of confidential sources national security concerns and the press digital duplication and deception rights of celebrities plagiarism and more. Collectively this guide assesses key contentious issues and legal precedents noting current ethical and legal trends and likely future directions. Features Six thematic sections consist of approximately a dozen chapters each written by eminent scholars and practitioners active in the field. Sections open with a general Introduction by the volume editors and conclude with a wrap up Outlook section to highlight likely future trends. Chapters follow a common organizational outline of a brief overview of the issue at hand historical background and precedent and presentation of various perspectives pro con mixed to the issue. See also cross references guide readers to related chapters and references and further readings guide users to more in depth resources for follow up. This reference guide is an excellent source for the general public students and researchers who are interested in expanding their knowledge in mass media and the ethics and law surrounding it.
