Studies in Acts W. R. Walker, 1969 Acts John F. MacArthur, 2000-10-12 These study guides part of a 16 volume set from noted Bible scholar John MacArthur take readers on a journey through biblical texts to discover what lies beneath the surface focusing on meaning and context and then reflecting on the explored passage or concept With probing questions that guide the reader toward application as well as ample space for journaling The MacArthur Bible Studies are an invaluable tool for Bible Students of all ages Strange Acts Rick Strelan, 2004 This book examines many of the strange events and actions in Acts in the context of the Hellenistic world and from that perspective These events and actions include the ascension of Jesus direction by the Spirit visions angelophanies prison escapes and resuscitations of the dead Many of these events are either avoided in scholarship or are investigated with an agenda other than to understand them for themselves The book constructs an ancient audience to be one that has a close familiarity with the Septuagint and with other Greek and Latin writings The culturally strange events are then interpreted through the lens of these texts **The Wiersbe Bible Study Series: Acts** Warren W. Wiersbe, 2012-11-05 The book of Acts chronicles the birth and growth of the early church It tells the story of ordinary people who were pioneers for Christ as they experienced His transforming power in their lives and communities And while some miracles are unique to the early church God s power is still available to His people today a truth that can inspire us to boldly pursue His plans and purposes The study explores the power of God s Spirit and how that power can impact our lives today The Wiersbe Bible Studies Series explores timeless wisdom found in God s word Based on Dr Warren W Wiersbe s popular BE series each study provides topical relevant insights from selected books of the Bible Designed for small groups this eight week study features selected commentaries from BE Dynamic engaging questions and practical applications all designed to help you connect God s word with your life **Studies in the Acts of the Apostles**

Rick Strelan,2020-03-12 This collection of essays is indicative of the years of research that the author has devoted to the Acts of the Apostles In a very easy style some of the intriguing episodes in Acts are understood through the lens of ancient literature and the worldview that is reflected in it The intention is to try and read them as an early Christian might have heard them even if from a modern perspective that reading appears quite strange It is hoped that the modern reader might be intrigued and even inspired to read Acts again and so to explore its strange events and people even more deeply More broadly such an exploration might lead to an appreciation that all writings that many Christians now hold as inspired and authoritative are deeply embedded in an ancient cultural context
