1 Corinthians John F. MacArthur, 2015-12-29 As the gospel spreads to the far corners of the earth the apostle Paul is under mounting pressure to provide direction to maturing churches before they go astray It's with this urgency that Paul covers many topics that are especially relevant in today's society Pastor John MacArthur will take you through the first letter to the church in Corinth to show how this church in particular allowed their worldliness to affect the church's priority of spreading the gospel and how Paul's response gives Christians black and white boundaries in a gray world As Paul explains doctrinal truths directly relating to sin and righteousness he outlines a foundation for godly behavior Paul's letter is a valuable tool of correction and encouragement for believers then and now to be alert firm mature strong and loving

The First Letter of Paul to the Corinthians William Flewelling, 2017-10-24 The Bible studies I chose to do came about in answer to the request from my first congregation out of seminary I consistently sought to present a serious somewhat scholarly approach to the interest among

my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that format I attempted to discover for myself and my group what the book sought to convey In this volume the study of 1 Corinthians 198283 followed that pattern exactly *Let's Study 1 Corinthians* David Jackman,2004 A practical guide to a key New Testament book in which the Apostle Paul teaches how the gospel must shape the believer's life style and relationships both in the church and the community A welcome help to those facing unrelenting pressure from a godless environment and sin's continuing deceitfulness Corinth was a confident modern and self-assured city proud of its image and thoroughly pagan It was a miracle of God's grace that the seed of the gospel had taken strong root in such potentially hostile soil But the young and tender plant was in grave danger of being choked by the suffocating pressures of a godless environment and the deceitfulness of sin still at work in the hearts of believers In the Apostle Paul's first letter to the Corinthians he teaches his readers how the gospel in which they have believed must now shape their life style within the church and the community What does it mean to be spiritual in a truly Christian sense Where do God's power and wisdom lie and how are they to be experienced What is the relationship of knowledge to behaviour of truth to love and of love to life

First Corinthians - Women's Bible Study Participant Book Melissa Spoelstra,2016-08-02 Relationships are messy We're all different and imperfect and we can struggle to get along especially with those who disagree with us Often we find ourselves divided even as Christians How can we work out our differences and disagreements with humility and grace always showing the love of Christ while still remaining true to what we believe The Apostle Paul wrote to the Christians living in Corinth about this very thing The cultural backdrop of Corinth was even more overtly sinful than our culture today yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ In this six week study we will explore Paul's first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions whether in the workplace neighborhood school home social media community or church We'll discover that the answer is living and sharing the radical love of Jesus Christ and we'll unpack what this means and how we can live it out day by day The Participant Book includes five days of lessons for each week combining study of Scripture with personal reflection application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 25-30 minute sessions and boxed Leader Kit an all-inclusive box containing one copy of each of the Bible study's components **First Corinthians** David E. Garland,2003-11 Understand 1 Corinthians and the social and cultural world of Corinth Part of the critically acclaimed BECNT series *1 Corinthians* R. Paul Stevens,Dan Williams,2011-10-17 Paul Stevens and Dan Williams explore Christian community not as it was meant to be but as it often really is And they mine practical advice for overcoming the challenges of life together This thirteen session LifeGuide Bible Study features questions for starting group discussions and for personal reflection [First Corinthians 1-4 in Light of Jewish Wisdom Traditions](#) Jeffrey S. Lamp,2000 This work explores the influence of Jewish wisdom traditions on Paul's thought and ideology It gives

attention to the social dimensions of the wisdom tradition and Paul's focus on the proper exercise of wisdom in the social relations of the Corinthian community The Sunday School Helper ,1874 The Durham University Journal University of Durham,1898 The Wesleyan Sunday-school magazine [afterw.] The Wesleyan methodist Sunday school magazine ,1884
