Studies In Ibo Political Systems:

Studies in Ibo Political Systems Ikenna Nzimiro, 2023-12-22 *Comparative Political Systems* Charles F. Andrain, 1994 This book focuses on the economic changes produced by different political systems and on the social impact of regime transformations It addresses several key policy issues How does the policy process operate in various types of political systems What impact do public policies and policy outcomes wield on transformations in a political system How does public policy preference in different political systems affect democracy capitalism and socialism Afro-Igbo Mmad? and Thomas Aquinas'S Imago Dei Venatius Chukwudum Oforka, 2016-06-25 In our modern and globalised world the concept of human dignity has gained a haloed status and plays a decisive role in assessing the moral integrity of every human being It provides a necessary foundation for the on going human rights struggles For the idea of human dignity ensures that our ever growing complicated world wears a human face and that human beings are respected as absolute values in themselves Afro Igbo Mmad and Thomas Aquinas Imago Dei An Inter cultural Dialogue on Human Dignity attempts to expand the discourse on the concept of human dignity which appears to have been parochially founded on the principles of Western cultures and ideologies To deparochialise this discourse it proposes an inter cultural dialogue towards establishing common principles that define the foundation of human dignity even when the approaches of diverse cultures to this foundation differ The Afro Igbo Mmadu and Thomas Aquinas Imago Dei is therefore a model of such inter cultural dialogue It hosts a profound dialogue between the concept of Mmad among the Igbo people of eastern Nigeria Africa and the concept of Imago Dei according to Thomas Aquinas of western European culture The study discusses the rich values in these cultural concepts and acknowledges them as veritable tools for establishing human dignity as a universal and inalienable character of human beings It nonetheless highlights the low points in these cultures that are discordant with this universal and inalienable character The dialogue establishes that these two cultures could complementarily enrich one another and in this way mutually augment their shortcomings towards a more globalised and reinforced foundation of human dignity and the defence of the dignity of every individual human being **The Igbo Intellectual Tradition** G. Chuku, 2016-04-27 In this groundbreaking collection leading historians Africanists and other scholars document the life and work of twelve Igbo intellectuals who educated within European traditions came to terms with the dominance of European thought while making significant contributions to African intellectual traditions **The Igbo and the Tradition of Politics** U.
