## Studies In Scripture And Its Authority:

**Scripture and the Authority of God** Tom Wright, 2013-11-21 In *Scripture and the Authority of God* Tom Wright argues that God is the ultimate source of all authority and that God's authority is not primarily about providing the right answers to disputed questions but about God's sovereign saving purposes being declared and accomplished through Jesus and the Spirit. This revised and expanded edition includes two helpful case studies looking at what it means to keep Sabbath and at how Christians can defend marital monogamy. These studies not only offer bold biblical insights but also demonstrate the indispensable role of scripture as the primary resource for teaching and guidance in the Christian life. Studies in Scripture and Its Authority Herman Ridderbos, 1978 *International Review of Biblical Studies, Volume 50 (2003-2004)*

Bernhard Lang, 2005-04-01 Formerly known by its subtitle *Internationale Zeitschriftenschau für Bibelwissenschaft und Grenzgebiete* the *International Review of Biblical Studies* has served the scholarly community ever since its inception in the early 1950s. Each annual volume includes approximately 2,000 abstracts and summaries of articles and books that deal with the Bible and related literature including the Dead Sea Scrolls, Pseudepigrapha, Non-canonical gospels and ancient Near Eastern writings. The abstracts, which may be in English, German or French, are arranged thematically under headings such as e.g. Genesis, Matthew, Greek language, text and textual criticism, exegetical methods and approaches, biblical theology, social and religious institutions, biblical personalities, history of Israel and early Judaism and so on. The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered. **International Review Of Biblical Studies 2003-2004** Bernhard Lang, 2005-01-01 Formerly known by its subtitle *Internationale Zeitschriftenschau für Bibelwissenschaft und Grenzgebiete* the *International Review of Biblical Studies* has served the scholarly community ever since its inception in the early 1950s. Each annual volume includes approximately 2,000 abstracts and summaries of articles and books that deal with the Bible and related literature including the Dead Sea Scrolls, Pseudepigrapha, Non-canonical gospels and ancient Near Eastern writings. The abstracts, which may be in English, German or French, are arranged thematically under headings such as e.g. Genesis, Matthew, Greek language, text and textual criticism, exegetical methods and approaches, biblical theology, social and religious institutions, biblical personalities, history of Israel and early Judaism and so on. The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered. *Studies in Scripture and Its Authority* Herman N. Ridderbos, 1978 God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people. *God's Word Alone* is a decisive defense of the Bible as the inspired and inerrant Word of God. Revitalizing one of the five great declarations of the Reformation, *sola Scriptura*, Barrett analyzes what the idea of *sola Scriptura* is and what it entails, clarifying why the doctrine

is truth and why it is so essential to Christianity. Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture. Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church. This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today. THE FIVE SOLAS. Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas. These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures, acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory. The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches. **The Oxford Encyclopedia of the Bible and Gender Studies** Julia M. O'Brien, 2014

As the first major encyclopedia of its kind, The Oxford Encyclopedia of the Bible and Gender Studies (OEBGS) is the go-to source for scholars and students undertaking original research in the field. Extending the work of nineteenth and twentieth century feminist scholarship and more recent queer studies, the Encyclopedia seeks to advance the scholarly conversation by systematically exploring the ways in which gender is constructed in the diverse texts, cultures, and readers that constitute the world of the Bible. With contributions from leading scholars in gender and biblical studies as well as contemporary gender theorists, classicists, archaeologists, and ancient historians, this comprehensive reference work reflects the diverse and interdisciplinary nature of the field and traces both historical and modern conceptions of gender and sexuality in the Bible. The two-volume Encyclopedia contains more than 160 entries ranging in length from 1,000 to 10,000 words. Each entry includes bibliographic references and suggestions for further reading as well as a topical outline and index to aid in research. The OEBGS builds upon the pioneering work of biblically focused gender theorists to help guide and encourage further gendered discussions of the Bible. **The Key of Knowledge Taken Away by the National Board of Education; with**

**Strictures on a Sermon, Entitled "Education, Religion, and Liberty" Lately Preached and Published by the Rev. William Johnston ... A Discourse, Etc** Thomas CARLILE (Pastor of the Reformed Presbyterian Church, Rathfriland.), 1849

The Bible and the Young; Or, The Improvement of Religious Education, with a View to Meet the Unbelief of the Present Day William Sherlock (Archdeacon of Kildare.), 1878 *Church and School in Early Modern Protestantism* Jordan

Ballor, David Sytsma, Jason Zuidema, 2013-08-08. A great deal of scholarship has too often juxtaposed scholasticism and piety resulting in misunderstandings of the relationship between Protestant churches of the early modern era and the theology taught in their schools. But more recent scholarship especially conducted by Richard A. Muller over the last number of

decades has remapped the lines of continuity and discontinuity in the relation of church and school This research has produced a more methodologically nuanced and historically accurate representation of church and school in early modern Protestantism Written by leading scholars of early modern Protestant theology and history and based on research using the most relevant original sources this collection seeks to broaden our understanding of how and why clergy were educated to serve the church Contributors include Yuzo Adhinarta Willem van Asselt Irena Backus Jordan J Ballor J Mark Beach Andreas Beck Joel R Beeke Lyle D Bierma Raymond A Blacketer James E Bradley Dariusz M Bryko Amy Nelson Burnett Emidio Campi Heber Carlos de Campos Jr Kiven Choy R Scott Clark Paul Fields John V Fesko Paul Fields W Robert Godfrey Alan Gomes Albert Gootjes Chad Gunnoe Aza Goudriaan Fred P Hall Byung Soo Paul Han Nathan A Jacobs Frank A James III Martin Klauber Henry Knapp Robert Kolb Mark J Larson Brian J Lee Karin Maag Benjamin T G Mayes Andrew M McGinnis Paul Mpindi Adriaan C Neele Godfried Quaadtvielig Sebastian Rehnman Todd Rester Gregory D Schuringa Herman Selderhuis Donald Sinnema Keith Stanglin David Steinmetz David Sytsma Yudha Thianto John L Thompson Carl Trueman Theodore G Van Raalte Cornelis Venema Timothy Wengert Reita Yazawa Jeongmo Yoo and Jason Zuidema
