Studies In The Age Of Chaucer Proceedings I York Proceedings:

Medieval Literature and Historical Inquiry David Aers, 2000 Historicist readings of the politics and ethics exhibited in a range of medieval texts including Chaucer Malory and the York Corpus Christi plays Critical historicist readings engage with the politics and ethics of selected medieval texts addressing a wide range of literature and topics of enquiry Langland Chaucer and the Pearl poet Malory and the York Corpus Christi plays chivalric cultures their forms of identity and mourning and the politics ethics and theology of some of the most fascinating writing in late medieval England Intended as a tribute to Professor Derek Pearsall and reflecting his major contribution to medieval literary criticism they are an important addition to the critical and historical study of the period DAVID AERS is James B Duke Professor of English and Professor of Historical Theology at Duke University *The Chaucer Newsletter*, 1985 **Subject Guide to Books in Print**, 2001 Handbook of English and Celtic Studies in the United Kingdom and Republic of Ireland N. H. Keeble, 1988 *Research, Publications and Creative Achievements* University of Tennessee, Knoxville, 1982 **New Serial Titles**, 1989 A union list of serials commencing publication after Dec 31 1949 **The University of Tennessee Record** University of Tennessee, 1983

Studies in the Age of Chaucer. Proceedings Paul Strohm, Thomas J. Heffernan, John V. Fleming, 1985 Index of Conference Proceedings Received British Library. Lending Division, 1982 **Irregular Serials & Annuals**, 1984

Serials in the British Library, 1990 **A Political Pamphleteer in Late Medieval England** Clementine Rachel Oliver, 2000 **The Genealogy of Women** Stephen Kolsky, 2003 Composed in the 1360s Boccaccio's *De mulieribus claris* Famous Women was the first attempt at female biography in the history of post classical Western literature However its humanistic credentials coexist uneasily with the remnants of medieval misogyny This book the first full length study of *De mulieribus claris* in English argues that it is essential to take into account the ideological complexities of early humanism confronted with the woman question It seeks to unravel the difficulties of the text looking at its genesis sources relations to other writings including Boccaccio's vernacular works its political dimensions and its structure and methodology to shed light on Boccaccio the humanist rewriting and rethinking his previous attitudes toward women **SELIM**, 2007 Studies in the Literary Imagination, 2003 *Chaucer's Feminine Subjects* J. Pitcher, 2012-06-18 This study shows how contemporary theory can serve to clarify structures of identity and economies of desire in medieval texts Bringing the resources of psychoanalytic and poststructuralist theory to bear on Chaucer's tales about women this book addresses those registers of the Canterbury project that remain major concerns for recent feminist theory the specificity of feminine desire the cultural articulation of gender the logic of sacrifice as a cultural ideal the structure of misogyny and domestic violence This book maps out the ways in which Chaucer's rhetoric is not merely an element of style or an instrument of persuasion but the very matrix for the representation of de centered subjectivity *Conquering the Reign of Femeny* Angela Jane Weisl, 1995 Close study of Chaucer's most important works shows how he used gender issues to extend the range of romance The paradox of

romance as a genre is that it contains multiple possibilities yet remains profoundly constrained by its own terms and conventions Through a close reading of several of Chaucer s most important works Dr Weisl examines Chaucer s use of gender issues to explore and challenge this genre She argues that Chaucer s complex treatment of the romance following both continental and Middle English traditions experiments with and tests romance conventions Each chapter looks in detail at one or more of Chaucer s works examining their different approaches to the problems of gender and showing how this is closely connected with genre Subjects addressed include the feminised private spaces in Troilus and Criseyde which protect Criseyde but are inevitably penetrated by male power the masculine imperatives of the epic which challenge the limits of the feminised romance in the Knight s Tale and the speech of its heroine Emelye who questions the assumptions of the genre itself Canacee in the Squire s Tale who rejects the stereotyped role of the heroine and the romance world in the Tale of Sir Thopas without a heroine at all Dr ANGELA JANE WEISL is visiting assistant professor of English and Women s Studies at Wittenberg University Ohio

Chaucer's Agents Carolynn Van Dyke, 2005 Critical disagreements about Chaucer arise from divergent assumptions about who or what determines his narratives life like characters doctrinal principles the cycles of history material conditions the prototypical subject the reader even the text itself Chaucer s Agents shifts our focus from particular kinds of cause to the representation of cause itself that is to agency Using modern theories from various disciplines Van Dyke analyzes agency with particular reference to narrative She then argues that Chaucer s career intersects with crises in political metaphysical and authorial agency
