 literary texts do not This book both introduces inscriptions and demonstrates sound methodological use of them in the study

of the New Testament Through five case studies it highlights the largely unrecognized ability of inscriptions to shed light on early Christian history practice and the leadership structure of early Christian churches as well as to solve certain New Testament exegetical impasses Key points and features No other book like this on the market this is the first of its kind A practical and much needed tool for graduate students seminarians and pastors Showcases five detailed case studies designed to show students exactly how to use inscriptions Includes 20 black and white photos Three appendices provide additional information for those who want to learn more *Reading the New Testament as Christian Scripture (Reading Christian Scripture)* Constantine R. Bird,Joel Willitts,2013-05-01 This volume which collects together the work of several established scholars attempts to situate the Apostle Paul the Pauline writings and the earliest Christian Gospels together in the context of early Christianity It addresses the issue of how the Christianity depicted in and represented by the individual Gospels relates to the vision of Christianity represented by Paul and the Pauline writings This raises such questions as to what extent did Paul influence the canonical and non canonical Gospels In what way are the Gospels reactions to Paul and his legacy A comparison of the Gospels and Paul on topics such as Old Testament Law Gentile mission Christology and early church leadership structures represents a fruitful area of study While a number of volumes have appeared that attempt to assess the relationship between the historical Jesus and the Apostle Paul relatively few studies on Paul and the Gospels have been published This volume excellently fills this gap in New Testament Studies and makes a valuable contribution to studies on Christian Origins Pauline research and the Gospels A Commentary on the New Testament Catholic Biblical Association of America,1942 **Twelve New Testament Studies** John A.
