Laura Story, 2016-03-29 Is it possible for our faith in God to deepen despite loss, heartache, struggle, and pain? Worship leader and recording artist Laura Story's life testifies that God doesn't promise to save us from all hardship. No matter how hard we pray, sometimes our circumstances don't change. Laura's own story took an unexpected turn when her husband Martin was diagnosed with a brain tumor. The devastating news forever changed their lives and challenged Laura's belief in the little control she thought she had. Her discovery that her struggles to accept her new situation ended up convincing her even more strongly of God's faithfulness and love. In this five-session video study DVD, digital video sold separately, Laura shares her deeply personal testimony and renewed hope to help us examine the promises of the gospel and what the Bible says about our experiences here on Earth. See how the hardships endured by some of the men and women of the Bible teach us how God works in our lives to bring us closer to him. Understand that the possibility exists for a deeper intimacy with God whose everlasting promises remain no matter what happens in this life. This study guide includes leader helps, video, discussion questions, Bible exploration questions, and personal study and reflection materials for in between.
