

The approaches to the study of public administration can be summarized as

- Public administration was studied from the background of administrative law .The emphasis in this jusrisdical approach is on formal structures both constitutional and administrative. It has been concerned with officers, with duties, limitations, prerogatives and disabilities of officers and with legal, litigation and rights of Citizen.
- In the comparative public administration approach stimulated by the United Nations, the emphasis is on understanding the problems of administration operating under different socio –political and cultural settings.
- Another approach is to study public administration in relation to political parties and pressure groups.
