## The Missile Crisis:

**The Missile Crisis of October 1962** Lester H. Brune,1985     *The Cuban Missile Crisis* Len Scott,R. Gerald Hughes,2015-04-10 This volume brings together a collection of leading international experts to revisit and review our understanding of the Cuban Missile Crisis via a critical reappraisal of some of the key texts In October 1962 humankind came close to the end of its history The risk of catastrophe is now recognised by many to have been greater than realised by protagonists at the time or scholars subsequently The Cuban missile crisis remains one of the mostly intensely studied moments of world history Understanding is framed and informed by Cold War historiography political science and personal experience written by scholars journalists and surviving officials The emergence of Soviet later Russian and other national narratives has broadened the scope of enquiry while scrutiny of the operational especially military dimensions has challenged assumptions about the risk of nuclear war The Cuban Missile Crisis A Critical Reappraisal brings together world leading scholars from America Britain France Canada and Russia to present critical scrutiny of authoritative accounts and to recast assumptions and interpretations The book aims to provide an essential guide for students of the missile crisis the diplomacy of the Cold War and the dynamics of historical interpretation and reinterpretation Offering original ideas and agendas the contributors seek to provide a new understanding of the secrets and mysteries of the moment when the world went to the brink of Armageddon This book will be of great interest to students of the Cuban missile crisis Cold War Studies nuclear proliferation international history and International Relations in general     **The Cuban Missile Crisis of 1962** William Medland,1988-05-16 Medland s book is very timely Naval War College This caveat notwithstanding William Medland proves it can be done Indeed his The Cuban Missile Crisis of 1962 is so good that he makes the task look easy William Medland s The Cuban Missile Crisis of 1962 is outstanding and necessary to a good understanding of the missile crisis The Daily Mississippian A wealth of books exist on the Cuban missile crisis and its aftermath but none examines the different historiographical views of what the crisis meant Medland surveys various interpretations of the confrontation approaching the crisis from national disciplinary and decision making perspectives Although the Soviets reasons for placing missiles in Cuba in 1962 may never be completely known Medland explores several possible motives taking into account views of participants observers and right and left wing groups The author also discusses the consequences of the confrontation As he demonstrates the end of the crisis brought mixed and surprising results     **An International History of the Cuban Missile Crisis** David Gioe,Len Scott,Christopher Andrew,2014-06-05 This edited volume addresses the main lessons and legacies of the 1962 Cuban Missile Crisis from a global perspective Despite the discoveries of recent research there is still much more to be revealed about the handling of nuclear weapons before and during the Cuban Missile Crisis CMC Featuring contributions from a number of eminent international scholars of nuclear history intelligence espionage political science and Cold War studies An International History of the Cuban Missile Crisis reviews and reflects on one of the critical moments of

the Cold War focussing on three key areas First the volume highlights the importance of memory as an essential foundation of historical understanding and demonstrates how events that rely only on historical records can provide misleading accounts This focus on memory extends the scope of the existing literature by exploring hitherto neglected aspects of the CMC including an analysis of the operational aspects of Bomber Command activity explored through recollections of the aircrews that challenge accounts based on official records The editors then go on to explore aspects of intelligence whose achievements and failings have increasingly been recognised to be of central importance to the origins dynamics and outcomes of the missile crisis Studies of hitherto neglected organisations such as the US Defense Intelligence Agency DIA and the British Joint Intelligence Committee JIC both extend our understanding of British and American intelligence machinery in this period and enrich our understanding of key episodes and assessments in the missile crisis Finally the book explores the risk of nuclear war and looks at how close we came to nuclear conflict The risk of inadvertent use of nuclear weapons is evaluated and a new proposed framework for the analysis of nuclear risk put forward This volume will be of much interest to students of intelligence studies international history foreign policy security studies and IR in general

### **Cuba**

**and the Missile Crisis** Ralf Käcks, 2011-11 Seminar paper from the year 1999 in the subject History Europe Germany Postwar Period Cold War grade 1 A University of Kassel FB 8 course The United States in the 1960s 28 entries in the bibliography language English abstract It might perhaps be correct to say that never in history has any historical event assembled such great importance in all of its aspects and been studied in such depth I believe that is fully understandable because never before had humankind been so close to the brink of nuclear holocaust This short statement by Oleg Troyanovsky reveals that the Cuban missile crisis is indeed one of the most studied subjects in U S and Cold War history Ever since the thirteen days in October 1962 there has been a lively discussion about the origins and the management of the crisis Despite an enormous range of opinions and an incredible output of books and articles by participants and scholars of the crisis most of the approaches were limited to studying the events from an American perspective However during the last decade the discussion has continued due to the declassification of secret American documents In fact it gained new speed after they became available for scholars to review One issue that has been heavily disputed since 1962 is the reason for the Soviet missile deployment to Cuba Even after more than 35 years it is unclear why Nikita Khrushchev ordered nuclear missiles to be sent to Cuba Even President John F Kennedy and his advisers in the Executive Committee ExComm could not agree on the reason for the missile deployment The official Soviet explanation states that the missiles were sent to defend Fidel Castro's revolution and to deter American aggression in Cuba However this theory has been vigorously dismissed as facesaving propaganda for the test of will theory which states that the Soviets wanted to probe America's resolve in Cold War politics I will show in this paper that Khruschev did not send the m The Cuban Missile Crisis and the Cold War Michelle Getchell, 2018-09-15 In October 1962 when the Soviet Union deployed nuclear missiles in Cuba the most dangerous

confrontation of the Cold War ensued bringing the world close to the brink of nuclear war Over two tense weeks U S president John F Kennedy and Soviet premier Nikita Khrushchev managed to negotiate a peaceful resolution to what was nearly a global catastrophe Drawing on the best recent scholarship and previously unexamined documents from the archives of the former Soviet Union this introductory volume examines the motivations and calculations of the major participants in the conflict sets the crisis in the context of the broader history of the global Cold War and traces the effects of the crisis on subsequent international and regional geopolitical relations Selections from twenty primary sources provide firsthand accounts of the frantic deliberations and realpolitik diplomacy between the U S the U S S R and Fidel Castro s Cuban regime thirteen illustrations are also included CONTENTS Introduction The Making of a global Crisis The Origins of the Cold WarA New Front in the Cold WarThe Cold War in Latin AmericaThe Cuban Revolution and the Soviet UnionU S and Regional Responses to the Cuban RevolutionOperation Zapata The Bay of PigsOperation Anadyr Soviet Missiles in CubaCrisis D nouement The Missiles of NovemberEvaluating the Leadership on All Sides of the CrisisNuclear Fallout Consequences of the Missile CrisisThe Future of Cuban Soviet RelationsLatin American Responses to the Missile CrisisConclusion Lessons of the Cuban Missile CrisisHistoriography of the Cuban Missile Crisis DocumentsMemorandum for McGeorge Bundy from Arthur Schlesinger Jr April 10 1961State Department White Paper April 1961From the Cable on the Conversation between Gromyko and Kennedy October 18 1962Telegram from Soviet Foreign Minister Gromyko to the CC CPSU October 20 1962President John F Kennedy s speech to the Nation October 22 1962Resolution Adopted by the Council of the Organization of American States Acting Provisionally as the Organ of Consultation October 23 1962Message from Mexican President Adolfo L pez Mateos to Cuban President Osvaldo Dortic s October 23 1962Letter from Khrushchev to John F Kennedy October 24 1962Telegram from Soviet Ambassador to the USA Dobrynin to the USSR MFA October 24 1962Memorandum for President Kennedy from Douglas Dillon October 26 1962Telegram from Fidel Castro to N S Khrushchev October 26 1962Letter from Khrushchev to Fidel Castro October 28 1962Cable from USSR Ambassador to Cuba Alekseev to Soviet Ministry of Foreign Affairs October 28 1962Telegram from Soviet Deputy Foreign Minister Kuznetsov and Ambassador to the U N Zorin to USSR Foreign Ministry 1 October 30 1962Premier Khrushchev s Letter to Prime Minister Castro October 30 1962Prime Minister Castro s Letter to Premier Khrushchev October 31 1962Meeting of the Secretary of the Communist Party of Cuba with Mikoyan in the Presidential Palace November 4 1962Brazilian Foreign Ministry Memorandum Question of Cuba November 20 1968Letter from Khrushchev to Fidel Castro January 31 1963 I Know Something About the Caribbean Crisis Notes from a Conversation with Fidel Castro November 5 1987Select Bibliography **Kennedy and the Cuban Missile Crisis** Cath Senker,2014-06-05 How did John F Kennedy protect his country from a nuclear threat and avoid the outbreak of a new world war What choices did he have what support and advice did he receive and how did his decisions affect history and his legacy This book looks at a momentous event from the Cold War showing how one of the world s most charismatic leaders chose to

follow a brave course of action     **13 Days in October** Howard Brinkley,2012-12-09 Never has the world come as close to the catastrophic destruction that nearly came to pass in October 1962 The United States and the Soviet Union uneasy allies in World War II but Cold War rivals after the defeat of Germany squared off over the discovery of Soviet nuclear missiles in Cuba This launched 13 days of tense negotiations between the two nations as both President John F Kennedy and Soviet Premier Nikita Khrushchev prepared for the possibility of nuclear war While neither man wanted a war and understood the potential consequences the situation was not merely in their hands Khrushchev faced pressure from Soviets to take a hardline stance against the U S while Kennedy faced the real possibility of a military coup if he did not follow the strong recommendations of his military advisors to destroy the missiles As Attorney General Robert Kennedy said The 10 or 12 people who participated in all these discussions were bright and energetic people We had perhaps amongst the most able in the country and if any one of a half a dozen of them were president the world would have been very likely plunged into catastrophic war Read more about the history of this short crisis in this book HistoryCaps is an imprint of BookCaps Study Guides With each book a brief period of history is recapped We publish a wide array of topics from baseball and music to science and philosophy so check our growing catalogue regularly to see our newest books     *The Cuban Missile Crisis* Roger Hilsman,1996-03-20 This book shows how President Kennedy and his brother Robert used this information to bring about the withdrawal of the missiles without war     [The Cuban Missile Crisis](#) Hourly History,2018-06-21 Cuban Missile CrisisThe Cold War between the United States of America and the Soviet Union lasted for more than 40 years In general this was a war of spies and subterfuge of covert action and espionage There was always a danger however that an error of judgment on either side could suddenly cause the Cold War to turn red hot with an exchange of nuclear weapons On many occasions tensions between the countries increased but the prospect of all out nuclear war between America and Russia was never closer than during a two week period in October of 1962 In response to the placement of American nuclear missiles in Turkey Soviet leader Nikita Khrushchev secretly ordered the transport of Russian nuclear missiles to the island of Cuba in the Caribbean These were capable of reaching and destroying almost all American cities in a matter of minutes When this was discovered the U S administration under President John F Kennedy decided that the threat had to be removed even if this meant risking war with Russia The Americans set up a blockade of the island and considered air strikes and even a full scale invasion of Cuba Forty thousand heavily armed Russian and Cuban troops supported by tanks aircraft and even tactical nuclear weapons stood by to do anything required to repel an American attack Inside you will read about From World War to Cold War Mutually Assured Destruction Revolution in Cuba The Missile Gap American Build up and Provocation Russian Missiles Arrive in Cuba Kennedy Speaks to America And much more It was clear that the United States refused to accept the presence of Russian nuclear missiles less than one hundred miles from the coast of Florida It was equally clear that Russia was determined not to remove the missiles and desert its Cuban ally An armed confrontation between the two superpowers

appeared inevitable and there seemed a very strong possibility that the world was on the brink of full scale nuclear war

Cuban Missile Crisis Helga Schier Ph.D., 2008-01-01 Explores the Cuban Missile Crisis and how that event has sculpted societies the sciences and politics

The Missile Crisis in Cuba Keith Eubank, 2000 Based on recently released materials from the John F Kennedy Library US Department of State and the former Soviet Union this text examines the Cuban missile crisis which began with the discovery of nuclear ballistic missiles installed by the Soviet Union in Cuba in support of Fidel Castro

**Cuba and the Missile Crisis** Carlos Lechuga Hevia, 2001 No longer silenced by its ties to the Soviet Union Cuba now voices its sense of betrayal in the Khrushchev Kennedy deal In a postscript to the Missile Crisis story Lechuga describes a secret approach from Washington for a dialogue with Havana immediately prior to the assassination of President Kennedy

Jacket *Blind over Cuba* David M. Barrett, Max Holland, 2012-09-01 In the aftermath of the Cuban Missile Crisis questions persisted about how the potential cataclysm had been allowed to develop A subsequent congressional investigation focused on what came to be known as the photo gap five weeks during which intelligence gathering flights over Cuba had been attenuated In *Blind over Cuba* David M Barrett and Max Holland challenge the popular perception of the Kennedy

administration's handling of the Soviet Union's surreptitious deployment of missiles in the Western Hemisphere Rather than epitomizing it as a masterpiece of crisis management by policy makers and the administration Barrett and Holland make the case that the affair was in fact a close call stemming directly from decisions made in a climate of deep distrust between key administration officials and the intelligence community Because of White House and State Department fears of another U 2 incident the infamous 1960 Soviet downing of an American U 2 spy plane the CIA was not permitted to send surveillance aircraft on prolonged flights over Cuban airspace for many weeks from late August through early October Events proved that this was precisely the time when the Soviets were secretly deploying missiles in Cuba When Director of Central Intelligence John McCone forcefully pointed out that this decision had led to a dangerous void in intelligence collection the president

authorized one U 2 flight directly over western Cuba thereby averting disaster as the surveillance detected the Soviet

missiles shortly before they became operational The Kennedy administration recognized that their failure to gather intelligence was politically explosive and their subsequent efforts to influence the perception of events form the focus for this study Using recently declassified documents secondary materials and interviews with several key participants Barrett and Holland weave a story of intra agency conflict suspicion and discord that undermined intelligence gathering adversely affected internal postmortems conducted after the crisis peaked and resulted in keeping Congress and the public in the dark about what really happened Fifty years after the crisis that brought the superpowers to the brink *Blind over Cuba* The Photo Gap and the Missile Crisis offers a new chapter in our understanding of that pivotal event the tensions inside the US government during the cold war and the obstacles Congress faces when conducting an investigation of the executive branch

Cuban Missile Crisis IntroBooks, IntroBooks delivers up to the minute information covering everything on a topic in only

one hour of reading Our books are written to give essential information in a straight to the point easy to read format We have cut out technical jargon waffle and unnecessary filler to ensure you get the essential information you need to achieve your goals with confidence *Awaiting Armageddon* Alice L. George,2004-07-21 For thirteen days in October 1962 America stood at the brink of nuclear war Nikita Khrushchev's decision to place nuclear missiles in Cuba and John F Kennedy's defiant response introduced the possibility of unprecedented cataclysm The immediate threat of destruction entered America's classrooms and its living rooms *Awaiting Armageddon* provides the first in depth look at this crisis as it roiled outside of government offices where ordinary Americans realized their government was unprepared to protect either itself or its citizens from the dangers of nuclear war During the seven days between Kennedy's announcement of a naval blockade and Khrushchev's decision to withdraw Soviet nuclear missiles from Cuba U.S. citizens absorbed the nightmare scenario unfolding on their television sets An estimated ten million Americans fled their homes millions more prepared shelters at home clearing the shelves of supermarkets and gun stores Alice George captures the irrationality of the moment as Americans coped with dread and resignation humor and pathos terror and ignorance In her examination of the public response to the missile crisis the author reveals cracks in the veneer of American confidence in the early years of the space age and demonstrates how the fears generated by Cold War culture blinded many Americans to the dangers of nuclear war until it was almost too late

**Cuban Missile Crisis** Priscilla Roberts,2012-04-23 Drawing on revealing new research this richly informative volume is the definitive concise introduction to the crisis that took the world to the brink of nuclear war Cuban Missile Crisis The Essential Reference Guide captures the historical context the minute by minute drama and the profound repercussions of the Missiles of October confrontation that brought the very real threat of nuclear attack to the United States doorstep Coinciding with the 50th anniversary of the crisis it takes full advantage of recently opened Soviet archives as well as interviews with key Russian Cuban and U.S. officials to explore the event as it played out in Moscow Havana Washington and other locations around the world Cuban Missile Crisis contains an introductory essay by the author and alphabetically organized reference entries contributed by leading Cold War researchers The book also includes an exceptionally comprehensive bibliography Together these resources give readers everything they need to understand the escalating tensions that led to the crisis as well as the intense diplomacy that resolved it including new information about the back channel negotiations between Robert Kennedy and Soviet ambassador Anatoly Dobrynin *The Cuban Missile Crisis* Robert A. Divine,1971 *The Cuban Missile Crisis* Alice George,2013-03-20 For thirteen days in October of 1962 a truly perilous flirtation with nuclear war developed between the United States and USSR as the superpowers argued over the installation of Soviet nuclear weapons in Cuba Launched by rash judgment and concluded through circumspect leadership the Cuban Missile Crisis acted as a catalyst for change during the Cold War Resolved through back channel negotiations the moment is popularly remembered as the closest the world has ever come to full scale nuclear war Using government memoranda personal letters and newspaper articles The

Cuban Missile Crisis details the actual events of the political history while explaining widespread public response In six concise chapters Alice George introduces the history of Cold War America and contextualizes its political social and cultural legacy This will be a must read for anyone looking for an in depth summary of these important events For additional resources please visit the companion website at <http://www.routledge.com/cw/criticalmoments>

**The Cuban Missile Crisis**  
Phil Carradice, 2017-10-30 This gripping Cold War history chronicles the events that brought the world to the edge of nuclear war and the political drama that averted disaster The Cuban Missile Crisis of 1962 was the closest the world has yet come to nuclear war a time when the hands of the Doomsday Clock really did inch towards the witching hour of midnight By placing nuclear missiles on the Caribbean island of Cuba where potentially they were able to threaten the eastern seaboard of the USA Nikita Khrushchev and the Soviet Union escalated the Cold War to a level that everyone feared but had never previously thought possible In a desperate and dangerous game of brinkmanship for thirteen nerve wracking days Premier Khrushchev and President Kennedy held the fate of the world in their hands Kennedy in particular wrestled with a range of options allowing the missiles to stay launch an air strike on the sites or invade Cuba In the end he did none of these But the solution to one of the deadliest dilemmas of the twentieth century proved to be a brave and dramatic moment in human history

Embark on a transformative journey with this captivating work, **Discover the Magic in The Missile Crisis**. ## **The Missile Crisis Introduction**

The Missile Crisis Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Missile Crisis Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Missile Crisis : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Missile Crisis : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Missile Crisis Offers a diverse range of free eBooks across various genres. The Missile Crisis Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Missile Crisis Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Missile Crisis, especially related to The Missile Crisis, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Missile Crisis, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Missile Crisis books or magazines might include. Look for these in online stores or libraries. Remember that while The Missile Crisis, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Missile Crisis eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Missile Crisis full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Missile Crisis eBooks, including some popular titles.

## **FAQs About The Missile Crisis Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Missile Crisis is one of the best book in our library for free trial. We provide copy of The Missile Crisis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Missile Crisis. Where to download The Missile Crisis online for free? Are you looking for The Missile Crisis PDF? This is definitely going to save you time and cash in something you should think about.
