The Monastic Journey:

The Monastic Journey Thomas Merton, 1977 The writings of Thomas Merton on the monastic journey *Living and Dying in England 1100-1540 : The Monastic Experience* Barbara Harvey, 1993-09-02 This fascinating account of daily life in Westminster Abbey one of medieval England's most important monastic communities is also a broad exploration of some major themes in the social history of the Middle Ages by one of its most distinguished historians This is an authoritative account of daily life in Westminster Abbey one of medieval England's greatest monastic communities It is also a wide ranging exploration of some major themes in the social history of the Middle Ages and early sixteenth century by one of its most distinguished historians Barbara Harvey exploits the exceptionally rich archives of the Benedictine foundation of Westminster to the full offering numerous vivid insights into the lives of the Westminster monks their dependants and their benefactors She examines the charitable practices of the monks their food and drink their illnesses and their deaths the number and conditions of employment of their servants and their controversial practice of granting corrodies pensions made up in large measure of benefits in kind All these topics Miss Harvey considers in the context both of religious institutions in general and of the secular world Full of colour and interest *Living and Dying in England* is an original and highly readable contribution to medieval history and that of the early sixteenth century By one of the greatest authorities on the subject

Living the Hours Anthony Grimley, Jonathan M. Wooding, 2009-10-01 *Living the Hours* explores what makes the monastic tradition so appealing to ordinary people today who may be discovering a world of spirituality previously hidden from them or perhaps questioning the balance priorities and focal points of their lives Since its beginnings in the fourth century monasticism's alternative vision for living has in different ways always inspired men and women in the secular world to step outside the routine of everyday life and to give time to reflection and exploration The monastic day is measured in hours with times for prayer physical work study and rest all contributing to a balanced holistic life This book looks at different expressions of monastic life through history and at the new monastic movements emerging today and asks how they can teach us in today's consumerist world to live more fully more consciously aware of how we choose to fill our hours and days
