## **The Moon Children:**

**Land of the Moon-Children** Clyde E. Keeler, 2010-04-01 Clyde E Keeler spent five summers studying the Cuna Indians on the San Blas islands off the coast of Panama as part of his genetics research specifically research into certain genetic traits of albino populations Published in 1956 this book is Keeler s account of his personal experiences with the Cuna people Keeler describes a people who still adhered to many of their traditional tribal customs while also embracing modern ways of life He witnessed ceremonial chants procedures for harnessing evil spirits and elaborate celebrations of puberty and fertility Keeler examines the history of Caribe Cuna ranging from details about their religious beliefs and customs firsthand accounts of Cuna stories and chants and developments caused by Christian missions and modern education Child Astrology M. J. Abadie, 1999-08-01 A hands on approach to the planets and their influence on children s emotional intellectual and spiritual development A guide for parents with no prior experience in astrology Allows parents to fully develop their children s strengths Author of Love Planets and coauthor of Finding Love with Sally Jessy Raphael For anyone and everyone concerned with successfully raising a child M J Abadie s Child Astrology brings to light the rich world of celestial influences No previous knowledge of astrology is required for parents to gain illuminating insight into their child using techniques and methods practiced for centuries Child Astrology offers a comprehensive look at the planets and their influence on your child s emotional intellectual physical and spiritual development It provides easy to use planetary tables and clear instructions on how to record and interpret the positioning of the planets at the time of a child s birth The author suggests specific approaches that help to minimize those influences in a child s life that are negative and to maximize those that are positive approaches that aid parents in anticipating and addressing the major changes particular to children s different developmental stages As they grow into the leaders of tomorrow children need all the help we can offer Child Astrology gives parents the chance to enhance the development of their children with loving care tailored expressly to the individual gifts their children possess The Child and Childhood in Folk-Thought Alexander Francis Chamberlain, 2022-09-16 In The Child and Childhood in Folk Thought Alexander Francis Chamberlain meticulously explores cultural perceptions of childhood across various societies employing a blend of folklore analysis and anthropological insights This pioneering work delves into how children have been viewed throughout history examining the myths legends and traditions that shape societal attitudes toward the young Chamberlain s literary style characterized by its rich descriptive prose and analytical rigor situates the book within the broader currents of early 20th century scholarship where the intersections of psychology folklore and education were gaining prominence Chamberlain a noted anthropologist and folklorist built his academic career on the foundations laid by his predecessors in the study of folk traditions His personal experiences with childhood narratives and his extensive research on the dynamics of culture and belief no doubt informed this comprehensive analysis The author s dedication to illuminating the developmental journey of children reflects his belief in the significant role of cultural narratives

in shaping identity and behavior offering valuable insights into the universal themes of childhood The Child and Childhood in Folk Thought is an indispensable read for scholars educators and anyone intrigued by the intricate ways in which culture influences the experience of childhood Chamberlain's work is not only a treasure trove of folkloric wisdom but also invites readers to reflect on the evolving concept of childhood across time and space making it an essential addition to the library of anyone interested in anthropology psychology or cultural studies

*Moon Child* Nadia Krilanovich, 2010-10-12 Are you a moon child Three little animals curious about the bright nighttime sky playfully interact with a beautiful full moon Follow raccoon owl and otter as they find a way to snuggle in their mother's arms under the moon's watchful gaze *Moon Child* captures the quietness of a lullaby and the rich illustrations glow with the magic of the natural world *The Moon Children* E G Creel, 2024-06-05 Generations of mice have believed the moon is made of cheese However differing opinions on the type of cheese begin to pull the Moon Children apart Join the Cheddarics Swissologists and Goudists on their cosmic quest to the moon where they will find proof and end the debate once and for all What will they discover Will their beliefs hold or will they uncover a truth beyond their imagination The Moon Children is a thoughtful journey of believing and not believing and reminds us of the importance of curiosity open mindedness and the bonds that connect us all under the same velvety sky A delightful read for cheese enthusiasts dreamers and little humanists alike *Ruby and the Moon Children* Lindsay Walter, 2022
