The Miracle Man Jeff Kurtzer, 2015-10-30 The Miracle Man presents the spiritual autobiography of Jeff Kurtzer a man who struggled with a series of challenges including physical and mental abuse early use of drugs and alcohol a diagnosis of manic depression and multiple stays in psychiatric care facilities Born in Long Island New York the author lived through times that remind many of the life of Job the biblical figure who endured extreme deprivation but who clung to his faith in God As he recounts the trajectory of his life Jeff Kurtzer seasons his account with passage from the Scriptures that offered him encouragement at the time His story was written to provide support to all who seek hope and change in their own lives This approach flows from his faith that God sees the truth of ones life and will work to change it just as he heard in a prophesy prayed over him God has called you to His ministry and all you have been going through will be used to help many people God is going to heal you completely and restore all that the enemy has stolen from you When you face those moments in your lifewhether brief or extendedwhen the obstacles are piling up and all passages to peace seem hopelessly blocked then The Miracle Man can offer you words of encouragement that God does still work miracles in todays world He worked one in the life of Jeff Kurtzer and He can work a miracle in your life too

The Miracle Man Frank Packard, 2018-06-07 He was a misshapen thing bulking a black blotch in the night at the entrance of the dark alleyway like some lurking creature in its lair He neither stood nor kneeled nor sat no single word would describe his posture he combined all three in a sort of repulsive formless heap The Flopper moved He came out from the alleyway onto the pavement into the lurid lights of the Bowery flopping along knee to toe on one leg dragging the other leg behind him and the leg he dragged was limp and wobbled from the knee One hand sought the pavement to balance himself and aid in locomotion the other arm the right was twisted out from his body in the shape of an inverted V the palm of his hand with half curled contorted fingers almost touching his chin as his head sagged at a stiff set angle into his right shoulder Hair straggled from the brim of a nondescript felt hat into his eyes and curled dirty and unshorn around his ears and the nape of his neck His face was covered with a stubble of four days growth his body with rags a coat a shirt the button long since gone at the neck and trousers gaping in wide rents at the knees and torn at the ankles where they flapped around miss mated socks and shoes
