*Hampton Roads Chronicles* Paul Clancy, 2009-04-20 Just like the tide history flows through every corner of Old Dominion's Hampton Roads region and for decades it has been chronicled in the Virginian Pilot's column Our Stories. These stories are now told by local historian and longtime columnist Paul Clancy who offers up this unparalleled and uninhibited collection of articles and stunning historical images. Rediscover the history behind landmarks such as Fort Monroe, Sewell's Point and Cape Henry and take in the view from the vantage point of those who witnessed history being made before their eyes. Stories about the hurricane of 33, the old fairgrounds on the bay, the trolleys that ran to Ocean View, the semipro baseball teams that battled for glory, the harrowing and courageous struggle for racial equality and the soldiers and sailors who went off to war. This is the real stuff of Hampton Roads history.

**Gender and Action Films 1980-2000** Steven Gerrard, Renée Middlemost, 2022-11-24 *Gender and Action Films 1980-2000* offers insights into the intertwined concepts of gender and action and how their portrayal developed in the Action Movie genre during the final two decades of the twentieth century. A necessity for academics, students and lovers of film and media and those interested in gender studies.

*Cheating Death* Kenneth M. Valentine, 2024-04-16 Everyone and I mean everyone will give you advice on which way to go with your life. Friends, acquaintances, classmates, teammates, your friends, friends, family, teachers, counselors, and neighbors will nose into your business. They will want to help you with everything from how to dress to how to act. They will tell you what and where to eat, where to go, and what to do. Before you know it, your whole life will be planned out for you by someone else. If you are susceptible to influencers, choose your influences wisely. Not all advisors or advice is equal. In fact, some of the advice coming your way courtesy of well-meaning friends or family may be downright awful. Truly wise and useful advice will come from very few. The world will give you the same crummy advice it gives everyone. Get fame. Pursue fortune. More is better. The world consistently perpetuates the lie that fame and fortune will make you happy. The world lies. Fame and fortune will not fill the void in our heart that was designed to be occupied by Christ. Only God can fill that. God shaped space within us. The world keeps trying and people keep following the siren song down the wide path to happy destruction. Happy is hard to define. I have determined that Happy is an elusive place. All of the world's unfulfilled and dissatisfied people will call you to the same wide path life plan they followed and expect a different result. I challenge you to take the narrow road. I urge you to trust in the Lord in all your decision making.
