Alchymy Hermann Beckh, 2019-10-23 As a practising Christian priest Hermann Beckh was profoundly aware that the mystery of substance its transmutation in the cosmos and the human being was a mystical fact to be approached with the greatest reverence requiring at once ever deepening scholarship and meditation He viewed chemistry as a worthy but materialistic science devoid of spirit while the fullness of spiritual physical nature could be approached by what he preferred to call chymistry or alchymy thereby taking in millennia of spiritual tradition In consequence Beckh's *Alchymy The Mystery of the Material World* is not limited to the conventional workings of Western alchemy nor to what can be found in the Bible from Genesis to Revelation although he does unveil hidden riches there Neither should Beckh be considered only as a learned Professor with impeccable academic qualifications and European wide recognition Beckh writes about such topics as Isis the Golden Fleece traditional fairy stories and Wagner's Parsifal in a way that enables the reader to catch glimpses of the Mystery of Substance to share the writer's authentic experience of the divine substantia the living reality of Christ in the world Beckh's *Alchymy* set an entirely new standard and went on to become his most popular publication This is the first time that it has been translated into English along with updated footnotes making his ideas and insights accessible to a wide readership In addition this edition features translations of Beckh's *The New Jerusalem* where theology could best be expressed in verse his exemplary essay on Snow White observations on Allerleirauh and a substantial excerpt from Gundhild Kaer Bock's biography of Beckh

Enjoying Religion Frans Jespers, Paul van der Velde, Karin van Nieuwkerk, 2018-08-15 Enjoying religion seems to be a contradiction because religion is generally perceived as a serious or even suppressive

phenomenon This volume is the first to study the increase of enjoying religion systematically by presenting eleven new case studies occurring on four continents The volume concludes that in our late modern secular societies the enjoyment of religion or of its loose elements is growing In particular when scholars concentrate on lived religion of ordinary people the cheerful experiences appear to prevail Many people use pleasant elements of religion to add meaning to their lives to find spiritual fulfillment or a way to salvation and to experience belonging to a larger unity At the same time diverse cultural dynamics of late modern society such as popular culture commercialization re enchantment and feminization influence this trend of enjoying religion In spite of secularization playing with religion appears to be attractive **Ebony**,1998-12 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *The Growing Edge* Howard Thurman,1956 The Growing Edge is a book of Howard Thurman s sermons For Thurman the sermon is an act of worship in which the preacher exposes his spirit and mind as they seek to reveal the spirit of the Living God upon them Thurman presents his sermons in six sections Concerning Enemies Concerning Prayer Concerning God Concerning Peace Concerning Festivals and Concerning Christian Character Story Art ,1939 Anniversaries and Holidays Ruth Wilhelme Gregory,1975 A revision of the work by Mary Emogene Hazeltine Bibliography p 162 230 Includes index The Public Work of Christmas Pamela E. Klassen,Monique Scheer,2019-06-15 Christmas is not a holiday just for Christians anymore if it ever was Embedded in calendars around the world and long a lucrative merchandising opportunity Christmas enters multicultural multi religious public spaces provoking both festivity and controversy hospitality and hostility The Public Work of Christmas provides a comparative historical and ethnographic perspective on the politics of Christmas in multicultural contexts ranging from a Jewish museum in Berlin to a shopping boulevard in Singapore A seasonal celebration that is at once inclusive and assimilatory Christmas offers a clarifying lens for considering the historical and ongoing intersections of multiculturalism Christianity and the nationalizing and racializing of religion The essays gathered here examine how cathedrals banquets and carols serve as infrastructures of memory that hold up Christmas as a civic yet unavoidably Christian holiday At the same time the authors show how the public work of Christmas depends on cultural forms that mark mask and resist the ongoing power of Christianity in the lives of Christians and non Christians alike Legislated into paid holidays and commodified into marketplaces Christmas has arguably become more cultural than religious making ever wider both its audience and the pool of workers who make it happen every year The Public Work of Christmas articulates a fresh reading of Christmas as fantasy ethos consumable product site of memory and terrain for the revival of exclusionary visions of nation and whiteness at a time of renewed attention to the fragility of belonging in diverse societies Contributors include Herman Bausinger T bingen Marion Bowman Open Juliane Brauer MPI Berlin Simon Coleman Toronto Yaniv Feller Wesleyan Christian Marchetti T bingen Helen Mo Toronto Katja Rakow Utrecht Sophie Reimers Berlin Tiina Sepp Tartu and Isaac Weiner Ohio State **The Little Book of**
