**The Murder of Jesus** John F. MacArthur, 2004-03-30 The pieces are in place The curtain rises for the final act God is about to die An unprecedented conspiracy of injustice cruelty and religious and political interests sentenced a man guilty of no crimes to the most barbaric method of execution ever devised The victim was no mere man Jesus was God in the flesh The Creator of life died How did such a thing come to be Who were the onlookers the players the fakes frauds and heroes What was it like in the Upper Room that night in the shadows of Gethsemane or in the Praetorium awaiting Pilate's verdict What is the meaning of the last words Jesus uttered as He gasped for breath on the cross What if all the facts you now so well could come alive in your mind and heart as a living story rather than as a 2000 year old ancient account By piecing together the narrative from the perspective of the participants John MacArthur invites you to relive the most awesome injustice in the history of man the unparalleled triumph of the sovereignty of God and the passion of Christ

*The Murder of Christ* Wilhelm Reich, 2013-07-02 In this profound and moving work the scientist Wilhelm Reich explores the meaning of Christ's life and reveals the hidden universal scourge that caused his agonizing death *The Emotional Plague of Mankind* Reich contends that man is faced with full responsibility for the murder of Christ all through the ages for the murder of fellow human beings no matter what the circumstances Here is the blunt truth about people's true ways of being acting and emotional reacting Here also the lesson of the murder of Christ is applied to the contemporary social scene The tragedy of Reich's own death points up the fact that the problems presented in *THE MURDER OF CHRIST* are acute problems of present day society

Christ by the Jews William Cobbett,1830      **The Murder of Jesus** John MacArthur,2000      **The Death of Jesus in Early Christianity** John T. Carroll,Joel B. Green,2007-11-01 The centrality of the death of Jesus for the Christian faith can hardly be overstated and interest in the subject is red hot As each generation of Christians comes to terms with its historical claims and its theological import it is only natural that its implications merit reexamination Taking a studied look at the death of Jesus from the Old Testament s perspective to that of the Gospels and Hebrews to that of extra canonical accounts Carroll and Green put us in their debt for their comprehensive survey of the effects and implications of a central tenet of Christianity

Commentary on 1 & 2 Thessalonians Vincent Cheung,2014-11-25 The two Pauline letters provide opportunities to cover a wide range of topics They include the following the doctrine of Scripture the doctrine of election the doctrine of the second coming of Christ the resurrection of the dead the catching up of believers the destruction of Jerusalem and the Jewish temple and the slaughter and dispersion of the Jews in AD 70 persecution and providence the Great Commission seeker hostile ministry the relation of metaphysics and ethics in apologetics justice revenge and atonement the sin of slander the minister s right to financial support the sin of idleness and the correct policy toward idlers cessationism and prophecy and some observations on hermeneutics In addition an outstanding feature of this book is an extended exposition and argument on the matter of whether the Jews murdered Jesus **Who Killed Jesus?** Julian Doyle,2017-10-26 who killed Jesus This is a real life detective story stimulated by extraordinary happenings on the film set of Monty Python s Life of Brian as witnessed by Julian Doyle the film s editor The crime is the murder of Jesus Christ and the book unravels the evidence to discover and disclose who was the real guilty party The four Gospel stories of the death have massive contradictions between them which are ignored or glossed over But these contradictions are not mistakes they are in fact all true Not only that but to make sense of them the whole Gospel story unravels right down to the actual crucifixion which from the experience on the film Life of Brian is shown to be IMPOSSIBLE THE FACTS ARE UNDENIABLE THE EVIDENCE IS COMPELLING BUT THE CONCLUSIONS ARE ASTONISHING *The Death of Christ* Fisher Humphreys,1978 Christ died for our sins Paul wrote to the Corinthians and that was a central conviction of Christians from the beginning Who Killed Jesus? John Dominic Crossan,2009-10-20 The death of Jesus is one of the most hotly debated questions in Christianity today In his massive and highly publicized *The Death of the Messiah* Raymond Brown while clearly rejecting anti Semitism never questions the essential historicity of the passion stories Yet it is these stories in which the Jews decide Jesus execution that have fueled centuries of Christian anti Semitism Now in his most controversial book John Dominic Crossan shows that this traditional

understanding of the Gospels as historical fact is not only wrong but dangerous Drawing on the best of biblical anthropological sociological and historical research he demonstrates definitively that it was the Roman government that tried and executed Jesus as a social agitator Crossan also candidly addresses such key theological questions as Did Jesus die for our sins and Is our faith in vain if there was no bodily resurrection Ultimately however Crossan s radical reexamination shows that the belief that the Jews killed Jesus is an early Christian myth directed against rival Jewish groups that must be eradicated from authentic Christian faith
