The Mutiny Of The Bounty

William Bligh

The Mutiny Of The Bounty:

The Bounty Caroline Alexander, 2004-05-25 More than two centuries after Master's Mate Fletcher Christian led a mutiny against Lieutenant William Bligh on a small armed transport vessel called Bounty the true story of this enthralling adventure has become obscured by the legend Combining vivid characterization and deft storytelling Caroline Alexander shatters the centuries old myths surrounding this story She brilliantly shows how in a desperate attempt to save one man from the gallows and another from ignominy two powerful families came together and began to create the version of history we know today The true story of the mutiny on the Bounty is an epic of duty and heroism pride and power and the assassination of a brave man's honor at the dawn of the Romantic age

The Mutiny of the Bounty Sir John Barrow, 1989 This classic of maritime history which first appeared in 1831 records the full intriguing story of the mutiny of the Bounty Based on his research of unpublished documents and the papers of Captain Peter Heywood a midshipman on the Bounty Sir John Barrow answers the two crucial questions raised by the incident why the crew of the Bounty mutinied in the first place and why an officer instigated and led the mutiny

the brutal island murders Make no mistake it may have been the beginning of the Romantic Age but there was nothing romantic about the mutiny on the Bounty why did Fletcher Christian choose oblivion over common sense on that hot sunny morning so long ago Was it because far from freeing the crew from oppression he was actually mentally unstable Where exactly was Peter Heywood and why did half the crew choose certain death in an open boat rather than sail away with the mutineers Just some of the questions answered in this book for the first time the whole story the complete story including the Pandora s hunt for the mutineers and the Admiralty s revenge and the true price of Peter Heywood s freedom **A**

sailed off into the unknown eventually discovering the isolated Pitcairn Island at the time not even marked on British maps and settling there This astonishing story is historical adventure at its very best encompassing the mutiny Bligh s monumental achievement in navigating to safety and Fletcher Christian and the mutineers own epic journey from the sensual paradise of Tahiti to the outpost of Pitcairn Island The mutineers descendants live on Pitcairn to this day amid swirling stories and rumours of past sexual transgressions and present day repercussions Mutiny on the Bounty is a sprawling dramatic tale of intrigue bravery and sheer boldness told with the accuracy of historical detail and total command of story that are Peter FitzSimons trademarks

Mutiny on Board HMS Bounty William Bligh, 2014-08-14 On 28th April 1789 a small and unremarkable merchant vessel became one of the most famous ships in maritime history HMS Bounty was under the command of 34 year old Lieutenant William Bligh an inexperienced commander who lacked the respect of a crew attracted to the promise of an easy life in a Tahitian paradise Fletcher Christian led half the crew in mutiny against Bligh and after overpowering all resistance they cast their deposed captain adrift along with those still loyal to him Luckily for Bligh his skills as a navigator were better than his skills as a captain and he managed to sail the 23ft boat 3 618 nautical miles to Timor in the Dutch East Indies with no chart or compass and only a quadrant and a pocket watch for navigation On returning to England he reported what had happened and the Royal Navy hunted down and captured most of the mutineers However this is only half the story William Bligh s version The captured mutineers went on trial and their testimonies give a much less heroic portrait of their former captain accusing him of unduly harsh treatment Fletcher Christian s older brother Edward a judge oversaw a more balanced account of the mutiny Of the mutineers who returned to England only three were hanged four were acquitted and three pardoned This book gives the fullest version of the mutiny allowing Bligh s account to sit alongside those of his detractors The discrepancies are fascinating and allow us to make up our own minds about this infamous mutiny Also includes an exclusive Foreword by former World Sailor of the Year Pete Goss who offers a unique perspective on the trials and tribulations of the Bounty s crew whether castaway or mutineer
